# Hot Wheels Pocket Launcher with Car User Manual

Model: FTH84

## INTRODUCTION

This user manual provides essential information for the assembly, operation, and maintenance of your Hot Wheels Pocket Launcher with Car. Please read this manual thoroughly before use to ensure proper function and safety. This product is designed for children aged 24 months to 8 years.

## SAFETY WARNINGS

### WARNING:

- Not suitable for children under 24 months due to small parts that could be swallowed.
- Adult supervision is recommended during play.
- Do not aim the launcher at eyes or face.
- Use only with official Hot Wheels vehicles.

No specific safety warnings are provided beyond general toy safety guidelines. Always ensure a safe play environment.

## PACKAGE CONTENTS

Verify that all components are present in the package:

- 1 x Hot Wheels Pocket Launcher (assorted colors)
- 1 x Hot Wheels Die-Cast Car (assorted models)

## SETUP

The Hot Wheels Pocket Launcher is designed for immediate play and requires no complex assembly. It comes pre-assembled with two main pieces: the launcher mechanism and the track extension.

1. Carefully remove all components from the packaging.
2. Ensure the launcher mechanism is securely attached to the track extension. This product is not designed for user assembly.
3. Place the launcher on a flat, stable surface or hold it firmly in your hand.

## OPERATING INSTRUCTIONS

Follow these steps to operate your Hot Wheels Pocket Launcher:

1. **Load the Car:** Place the included Hot Wheels car onto the track extension, ensuring the front wheels are aligned with the launching mechanism.
2. **Prepare for Launch:** Hold the launcher firmly. Pull back the spring-loaded handle until it locks into place. You may hear a click.
3. **Launch the Car:** Press the trigger button or release mechanism to propel the car forward.

The launcher is designed for manual operation and does not require batteries.
