1. Introduction

This instruction manual provides detailed guidance for assembling your nanoblock Blue-and-Yellow Macaw building kit. The nanoblock Mini Collection series offers intricate models with small blocks, allowing for remarkable detail and realism. This kit is designed for an enjoyable building experience, resulting in a collectible display piece.

2. Important Safety Information

WARNING: This product contains small parts which are considered a choking hazard. Not suitable for children under 3 years. Recommended for ages 8 years and up. Adult supervision is advised during assembly.

3. What's in the Box

Your nanoblock Blue-and-Yellow Macaw kit includes:

- nanoblock Blue-and-Yellow Macaw building blocks (140 pieces)
- Detailed step-by-step instruction sheet

4. Assembly Guide

The nanoblock Blue-and-Yellow Macaw kit has a difficulty level of 2 (on a scale of 1 to 5, with 1 being easiest). Follow the included printed instructions carefully for best results. The small size of nanoblocks (4mm x 4mm x 5mm) requires precision and patience.

4.1. Preparation

- Clear a well-lit, flat workspace to prevent loss of small pieces.
- Open the packaging and carefully sort the blocks by color and shape if desired.
- Review the entire instruction sheet before beginning assembly.

4.2. Building Steps

Refer to the numbered steps and diagrams in your printed instruction sheet. Each step will show which blocks to use and where to place them. Pay close attention to the orientation of each block.
