HITACHI CV9800YJ240BR

Hitachi Drum Vacuum Cleaner User Manual

Model: CV9800YJ240BR / 2724298784722
Brand: HITACHI

1. Introduction

Thank you for choosing the Hitachi Drum Vacuum Cleaner. This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your new appliance. Please read this manual thoroughly before first use and keep it for future reference.
This powerful drum vacuum cleaner is designed for effective dry cleaning, featuring high suction power, a multi-angle head for versatile cleaning, and a large dust capacity for extended use.

2. Important Safety Information

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, or injury.

- Read all instructions before using the vacuum cleaner.
- Do not use the vacuum cleaner on wet surfaces or to pick up liquids. This is a dry vacuum cleaner.
- Always unplug the vacuum cleaner from the electrical outlet before cleaning or performing any maintenance.
- Do not allow children to operate the vacuum cleaner. Close supervision is necessary when used near children.
- Do not pick up burning or smoking materials, such as cigarettes, hot ashes, or matches.
- Do not pick up hard or sharp objects such as glass, nails, screws, or coins, as these may damage the vacuum cleaner.
- Ensure the filter is properly installed before operation.
- Do not operate the vacuum cleaner with a damaged cord or plug. If the cord or plug is damaged, it must be replaced by the manufacturer, its service agent, or similarly qualified persons to avoid a hazard.

3. Package Contents

Carefully unpack your Hitachi Drum Vacuum Cleaner and ensure all items are present:

- Main Drum Unit
- Flexible Hose
- Extension Wands (Metal or Plastic, depending on variant)

- Rug-Floor Nozzle with Multi Angle Head
- Crevice Nozzle
- Dusting Brush
- Power Cord (attached to unit)
- User Manual (this document)

4. Setup and Assembly

1. **Unpack:** Remove all components from the packaging.
2. **Attach Hose:** Insert the flexible hose into the suction inlet on the main drum unit until it clicks securely into place.
3. **Assemble Extension Wands:** Connect the extension wands together by twisting them until they lock. Then, attach the assembled wands to the end of the flexible hose.
4. **Attach Nozzle:** Securely attach the desired cleaning nozzle (e.g., Rug-Floor Nozzle) to the end of the extension wands.
5. **Power Connection:** Extend the power cord from the rear of the unit and plug it into a suitable electrical outlet (220 Volts).

Figure 4.1: Side view of the drum unit, illustrating the handle and wheels for easy maneuverability during setup and use.

5. Operating Instructions

5.1 Powering On/Off

- To turn on the vacuum cleaner, press the power switch located on the main drum unit.
- To turn off, press the power switch again.

5.2 Using Attachments

- **Rug-Floor Nozzle with Multi Angle Head:** This versatile nozzle rotates 90° on each side, allowing for thorough cleaning of narrow areas and crevices. It remains flat to clean effectively under low furniture. Ideal for both carpets and hard floors.
- **Crevice Nozzle:** Use for cleaning tight spaces, corners, and edges.
- **Dusting Brush:** Suitable for delicate surfaces, curtains, and upholstery.

The Hitachi Drum Vacuum Cleaner features incredible suction power, ensuring efficient removal of dust and debris from various surfaces.

6. Maintenance and Care

Regular maintenance ensures optimal performance and extends the lifespan of your vacuum cleaner.

6.1 Dust Disposal

- When the dust capacity is full or suction power decreases, it's time to empty the dust container.
- Unplug the vacuum cleaner from the power outlet.
- Release the latches on the side of the drum unit and carefully lift the motor head.
- Utilize the dual handles on the large tank for easier and more convenient dust disposal. Empty the collected dust into a waste bin.
- Replace the motor head and secure the latches.

6.2 Filter Cleaning

The Hitachi Drum Vacuum Cleaner features a removable and washable cloth filter.

- After emptying the dust, remove the cloth filter from the unit.
- Gently tap the filter to dislodge loose dust.
- If heavily soiled, wash the filter with lukewarm water. Do not use harsh detergents.
- Allow the filter to air dry completely before reinserting it into the vacuum cleaner. Ensure it is fully dry to prevent mold or damage to the motor.

6.3 General Cleaning and Storage

- Wipe the exterior of the vacuum cleaner with a soft, damp cloth. Do not use abrasive cleaners.
- Check the hose and attachments for any blockages and clear them if necessary.
- Store the vacuum cleaner in a cool, dry place, away from direct sunlight and extreme temperatures.

7. Troubleshooting

Before contacting customer service, please refer to the following table for common issues and their solutions.

Problem	Possible Cause	Solution
Vacuum cleaner does not turn on.	No power supply. Power cord not properly plugged in. Power switch is off.	Check the power outlet. Ensure the power cord is securely plugged into the outlet and the unit. Press the power switch to the "ON" position.
Low suction power.	Dust container is full. Filter is clogged. Hose or attachments are blocked.	Empty the dust container. Clean or wash the filter as per maintenance instructions. Check hose and attachments for obstructions and remove them.
Unusual noise during operation.	Blockage in the hose or nozzle. Motor issue.	Turn off and unplug the vacuum. Check for and remove any blockages. If the noise persists after checking for blockages, contact customer support.
Dust escaping from the unit.	Filter not properly installed. Dust container not sealed correctly.	Ensure the filter is correctly seated. Check that the motor head is securely latched onto the drum unit.

8. Product Specifications

Feature	Detail
Brand	HITACHI
Model Number	CV9800YJ240BR / 2724298784722
Power / Wattage	2300 Watts
Dust Capacity	21 Liters
Voltage	220 Volts
Noise Level	70 dB
Product Dimensions (L x W x H)	10.5 x 84 x 63 cm
Item Weight	680 g
Material	Mixed
Special Features	Heavy-duty, Washable Filter
Filter Type	Cloth
Surface Recommendation	Carpet
Power Source	Corded Electric
Country of Origin	Japan

9. Warranty and Support

9.1 Manufacturer's Warranty

This Hitachi Drum Vacuum Cleaner is backed by a **1-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims.
For specific terms and conditions of the warranty, please refer to the warranty card included with your product or visit the official Hitachi website.

9.2 Customer Support

If you encounter any issues not covered in the troubleshooting section or require further assistance, please contact Hitachi customer support or an authorized service center in your region. Contact information can typically be found on the manufacturer's official website or on the product packaging.
