Signature Design by Ashley 3-Piece Leather Sectional with Chaise

Model: 48504S1

Brand: Signature Design by Ashley

Introduction

This manual provides essential information for the assembly, use, and maintenance of your Signature Design by Ashley 3-Piece Leather Sectional with Chaise. Please read these instructions carefully before proceeding with assembly or use to ensure proper setup and longevity of your furniture.

The sectional features a contemporary U-shape layout, crafted with a combination of 100% top grain leather on contact areas and color-matched faux leather on the exterior. It is designed for lasting support with a platform foundation system and comfortable cushions.

Safety Information

- Always assemble the product on a soft, clean surface to prevent damage.
- Ensure all connections are securely fastened before use. Periodically check and tighten all fasteners.
- Do not stand on the furniture.
- Keep children and pets away from the assembly area until assembly is complete.
- Avoid placing the sectional near direct heat sources or in direct sunlight for prolonged periods, as this may cause material degradation or fading.

- Do not use harsh chemicals or abrasive cleaners on the upholstery.

Package Contents

Your 3-piece sectional will arrive in three separate boxes. Carefully unpack all components and verify that all parts are present before beginning assembly.

- Left-arm facing sofa with corner wedge
- Armless loveseat
- Right-arm facing corner chaise
- Back Cushions (Attached)
- Seat Cushions (Removable)
- Furniture Legs

Setup and Assembly

Assembly of this sectional is designed to be quick and straightforward. It is recommended that **two people** assist with the assembly process due to the size and weight of the components.

1. **Prepare the Area:** Ensure you have adequate space for assembly. The assembled sectional measures approximately 128 inches wide by 97 inches deep by 41 inches high. A minimum doorway width of 36 inches is required for delivery and maneuvering components.
2. **Unpack Components:** Carefully remove all parts from their packaging. Retain packaging materials until assembly is complete in case of returns.
3. **Attach Legs:** Locate the furniture legs. Attach them to the bottom of each sectional piece. Ensure they are securely tightened.
4. **Connect Sectional Pieces:** The sectional pieces feature built-in component connectors. Align the connectors on the adjacent pieces (left-arm facing sofa, armless loveseat, and right-arm facing chaise) and push them together until they securely interlock.
5. **Position Cushions:** Place the removable seat cushions onto the sectional. The back cushions are attached.

Operating and Usage

Your Signature Design by Ashley sectional is designed for optimal comfort and relaxation in your living space. It offers deep seating with durable and comfortable cushions, providing a cozy experience for up to 7 people.

- **Seating:** The sectional provides ample seating with its U-shape design, perfect for family gatherings or lounging.
- **Cushions:** The seat cushions are loose and removable, while the back cushions are attached. This design helps maintain a tight and wrinkle-free appearance.
- **Chaise:** Utilize the right-arm facing chaise for extended leg support and enhanced relaxation.

Maintenance

Proper care will help preserve the appearance and extend the life of your sectional.

- **Cleaning Code:** The upholstery cleaning code is 'W', indicating that only water-based cleaning agents or foam may be used.
- **Spot Cleaning:** For spills or stains, immediately spot clean with a damp cloth. Use a mild, water-based cleaning solution if necessary, and blot gently. Avoid rubbing, which can spread the stain or damage the fabric.
- **Regular Dusting:** Dust the surface regularly with a soft, dry cloth to prevent dust buildup.
- **Vacuuming:** Periodically vacuum the upholstery using a soft brush attachment to remove crumbs and debris from crevices.
- **Avoid Harsh Chemicals:** Do not use strong detergents, solvents, or abrasive cleaners, as these can damage the leather and faux leather materials.

Troubleshooting

If you encounter any issues with your sectional, please refer to the following common solutions:

- **Loose Connections:** If any part of the sectional feels unstable, check all component connectors and furniture legs to ensure they are securely fastened. Tighten if necessary.
- **Uneven Seating:** If a seat cushion feels uneven, remove it and adjust the underlying support or rotate the cushion.
- **Squeaking Noises:** Squeaking can sometimes occur from loose connections. Re-check and tighten all assembly points. If the issue persists, contact customer support.
- **Material Imperfections:** Natural variations in leather are normal and contribute to its unique character. Minor wrinkles or variations in grain are not considered defects.
