2. Picture Settings

Optimize your viewing experience by adjusting picture settings. Navigate to the Picture menu using your remote control.

- **HDR10+ / HLG:** Enjoy enhanced clarity and precise colors for compatible content.
- **PurColor:** Experience a full-color visual experience with more vivid and realistic colors.
- **UHD Dimming:** This technology divides the screen into smaller sections for precise adjustments of color, sharpness, and contrast.
- **Contrast Enhancer:** Adjusts contrast for improved depth and color.

3. SmartThings Integration

Control your TV via your mobile device using the SmartThings app. Download the app from your device's app store and follow the instructions to connect it to your TV.

MAINTENANCE

1. Cleaning the TV

- **Screen:** Gently wipe the screen with a soft, dry microfiber cloth. For stubborn smudges, lightly dampen the cloth with water or a screen-cleaning solution specifically designed for electronics.
- **Body:** Wipe the TV's frame and back panel with a soft, dry cloth. Avoid using abrasive cleaners or solvents.

2. Cable Management

The TV features a cable management solution in its stand to help keep your setup clean and tidy. Route cables through the designated channels to minimize clutter.

TROUBLESHOOTING

If you encounter issues with your TV, refer to the following common problems and solutions:

- **No Power:** Ensure the power cable is securely connected to both the TV and a working wall outlet. Try a different outlet.
- **No Picture/Sound:**
    - Check that the correct input source is selected (e.g., HDMI 1, TV).
    - Verify all HDMI or other input cables are securely connected.
    - Ensure the volume is not muted or set to minimum.

- **USB Playback Issues:** The TV may not support all video or audio formats from USB devices. Ensure your media files are in commonly supported formats. Some users have reported issues with DVIX format.
- **Poor Picture Quality:**
    - Adjust picture settings (brightness, contrast, sharpness, color).
    - Ensure the input source is providing a high-quality signal.
    - For issues like backlighting problems, contact customer support.

- **Smart TV/Internet Connection Problems:**
    - Check your Wi-Fi or Ethernet connection.
    - Restart your router and the TV.
    - Ensure the TV's software is up to date.

If problems persist, consult the full e-manual available on your TV's Smart Hub or contact Samsung customer support.
