

Awei B923BL

Awei B923BL Wireless Magnetic Sports Bluetooth Earphones User Manual

INTRODUCTION

Thank you for choosing the Awei B923BL Wireless Magnetic Sports Bluetooth Earphones. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new earphones. Please read it carefully before use to ensure optimal performance and longevity of your device.

PACKAGE CONTENTS

Please check the package for the following items:

- Awei B923BL Wireless Magnetic Sports Bluetooth Earphones
- USB Charging Cable
- Multiple Sizes of Ear Tips
- User Manual

PRODUCT OVERVIEW

The Awei B923BL earphones are designed for active lifestyles, featuring a wireless Bluetooth connection and a magnetic design for convenient storage around your neck when not in use. They include an integrated microphone for hands-free calling.

Image: A pair of Awei B923BL wireless magnetic sports Bluetooth earphones. The earphones are black with silver accents, featuring an in-ear design and a connecting cable. The Awei logo is visible on one of the earpieces.

Image: A close-up view of one Awei B923BL earphone, highlighting the in-ear design and the speaker mesh. The earphone is black with a translucent grey ear tip.

SETUP

1. Charging the Earphones

Before first use, fully charge your earphones. Connect the provided USB charging cable to the charging port on the earphones and the other end to a USB power source (e.g., computer USB port, wall adapter). The indicator light will show charging status and turn off or change color when fully charged.

2. Bluetooth Pairing

1. Ensure the earphones are turned off.

2. Press and hold the multi-function button (usually the power button) until the indicator light flashes red and blue alternately, indicating pairing mode.
3. On your mobile phone or Bluetooth-enabled device, go to the Bluetooth settings and enable Bluetooth.
4. Search for available devices. You should see "Awei B923BL" or a similar name in the list.
5. Select "Awei B923BL" to connect. Once connected, the indicator light will usually flash blue slowly or turn off, and you may hear a confirmation tone.
6. If prompted for a password, enter "0000".

Once paired, the earphones will automatically connect to the last paired device when turned on, if the device's Bluetooth is active and within range.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds until the blue indicator light flashes.
- **Power Off:** Press and hold the multi-function button for approximately 5 seconds until the red indicator light flashes and then turns off.

Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press and hold the Volume + button.
- **Previous Track:** Press and hold the Volume - button.

Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for approximately 2 seconds.
- **Redial Last Number:** Double-press the multi-function button.

Volume Control

- **Increase Volume:** Press the Volume + button.
- **Decrease Volume:** Press the Volume - button.

MAINTENANCE

- Clean the earphones regularly with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Remove ear tips and clean them with mild soap and water if necessary, ensuring they are completely dry before reattaching.
- Store the earphones in a cool, dry place away from direct sunlight and extreme temperatures.
- Avoid exposing the earphones to water or excessive moisture.
- Do not attempt to disassemble or modify the earphones, as this will void the warranty.

TROUBLESHOOTING

- **Earphones not turning on:** Ensure the earphones are fully charged.
- **Cannot pair with device:**
 - Make sure the earphones are in pairing mode (flashing red and blue).
 - Ensure Bluetooth is enabled on your device.
 - Move the earphones closer to your device.
 - Try restarting both the earphones and your device.
 - Clear previous Bluetooth connections on your device if you have too many.
- **No sound or low volume:**
 - Check the volume levels on both the earphones and your connected device.
 - Ensure the earphones are properly connected to your device.
 - Try playing different audio sources.
- **Call quality issues:**
 - Ensure the microphone is not obstructed.
 - Move to an area with less interference.
