MAINTENANCE AND STORAGE

- **Storage:** Store unused soap bars in their original packaging in a cool, dry place away from direct sunlight and excessive heat.

- **After Use:** After each use, place the soap bar in a well-draining soap dish to allow it to dry completely. This helps prolong the life of the soap.
- **Shelf Life:** Refer to the packaging for the manufacturing and expiry dates.

As a personal care product, troubleshooting is generally limited.

- **Skin Irritation:** If skin irritation or rash occurs, discontinue use immediately. Rinse the affected area thoroughly with water. If symptoms persist, consult a medical professional.
