COOLSTEELANDBEYOND FP-360-A-EU

COOLSTEELANDBEYOND Stainless Steel Pendant Necklace User Manual

Model: FP-360-A-EU

1. PRODUCT OVERVIEW

Welcome to the instruction manual for your COOLSTEELANDBEYOND Stainless Steel Pendant Necklace, Model FP-360-A-EU. This guide provides essential information for the proper use, care, and maintenance of your new jewelry. Crafted from durable stainless steel with a polished finish, this necklace is designed for everyday elegance.

Image 1.1: Close-up view of the pendant and chain.

The necklace features a unique pendant design and a comfortable chain length, making it suitable for various occasions.

2. PACKAGE CONTENTS

Upon opening your package, please ensure all items are present and in good condition.

- 1 x COOLSTEELANDBEYOND Stainless Steel Pendant Necklace (Model: FP-360-A-EU)
- 1 x COOLSTEELANDBEYOND Branded Jewelry Box

3. SETUP AND FIRST USE

Your COOLSTEELANDBEYOND necklace is ready to wear directly from its packaging.

1. Carefully remove the necklace from its jewelry box.
2. Locate the clasp mechanism at one end of the chain.
3. Gently open the clasp.
4. Place the necklace around your neck, ensuring the pendant is positioned as desired.
5. Securely close the clasp. Ensure it clicks or locks into place to prevent accidental detachment.

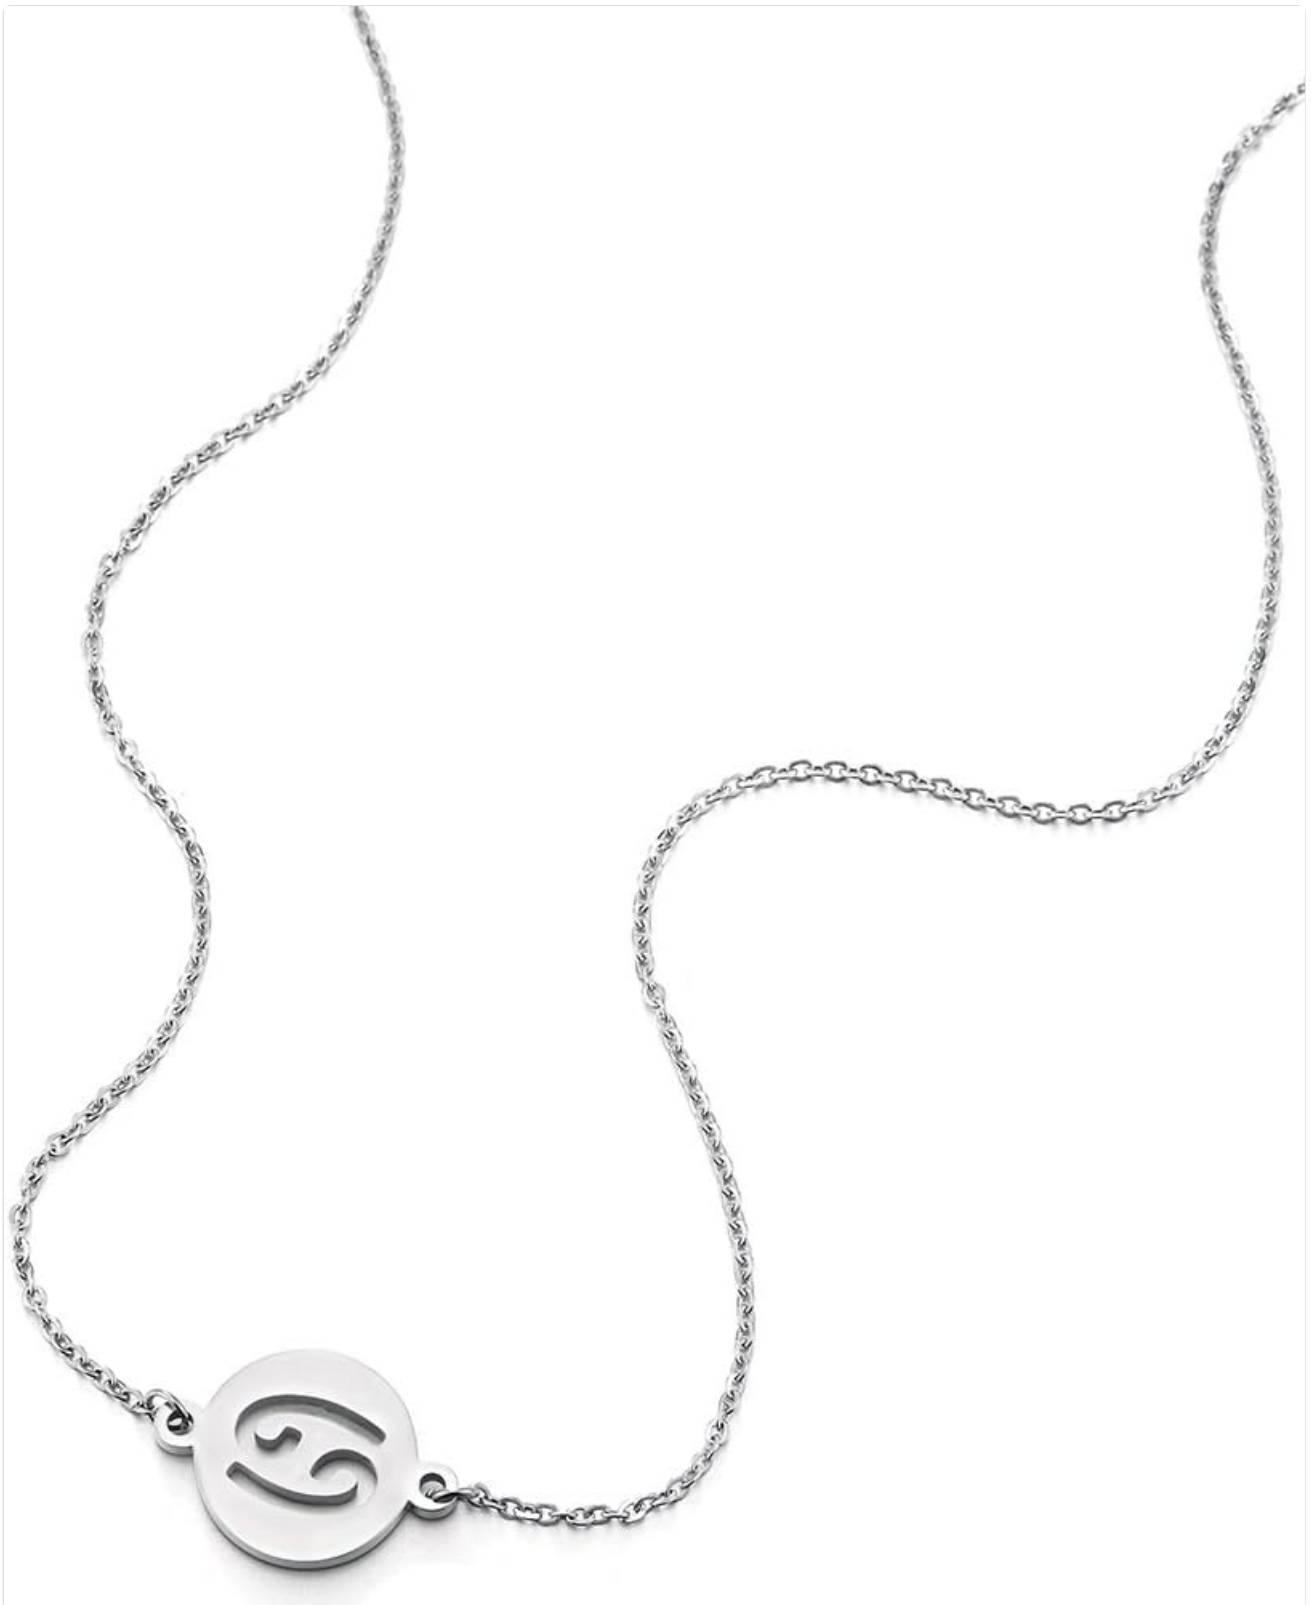

Image 3.1: The necklace in its full length, ready for wear.

4. OPERATING AND DAILY USE

This stainless steel necklace is designed for daily wear and is resistant to tarnishing and corrosion. To ensure its longevity and maintain its appearance:

- **Avoid Excessive Force:** While durable, avoid strong pulling or snagging the chain, which could lead to breakage.
- **Chemical Exposure:** Minimize contact with harsh chemicals, perfumes, lotions, and chlorinated water, as these can dull the finish over time.
- **Activity:** Consider removing the necklace during strenuous physical activities or when sleeping to prevent

accidental damage or discomfort.

5. MAINTENANCE AND CARE

Proper care will help preserve the beauty and shine of your stainless steel necklace.

- **Cleaning:** Clean your necklace regularly with a soft, lint-free cloth. For a deeper clean, use mild soap and warm water, then rinse thoroughly and dry completely with a soft cloth.
- **Polishing:** The polished surface can be maintained by gently buffing with a jewelry polishing cloth.
- **Storage:** When not in use, store the necklace in its original COOLSTEELANDBEYOND jewelry box or a soft pouch to prevent scratches and tangling with other jewelry.

6. TROUBLESHOOTING

Stainless steel jewelry is generally low maintenance, but here are solutions to common minor issues:

- **Dullness:** If the necklace appears dull, it may be due to residue from skin oils, lotions, or soap. Clean it thoroughly as described in the "Maintenance and Care" section.
- **Tangled Chain:** If the chain becomes tangled, gently work out the knots using two needles or toothpicks. Patience is key to avoid damaging the chain.
- **Clasp Issues:** If the clasp feels stiff, a tiny drop of mineral oil can be applied to the hinge, then wipe off any excess. If the clasp is bent or broken, professional repair may be required.

7. SPECIFICATIONS

Attribute	Detail
Model Number	FP-360-A-EU
Material	Stainless Steel
Surface Treatment	Polished
Pendant Dimensions (Length x Width)	1.5 cm x 1.5 cm
Chain Length	46-51 cm (adjustable)
