IKEA Varde Wall Shelf with 5 Hooks User Manual

Model: 502.413.37

INTRODUCTION

The IKEA Varde Wall Shelf with 5 Hooks is designed to provide practical storage and hanging solutions for your kitchen or other areas. This manual contains important information regarding the assembly, safe use, care, and maintenance of your new wall shelf. Please read it thoroughly before beginning assembly and keep it for future reference.

SAFETY INFORMATION

Your safety is paramount. Please observe the following safety guidelines:

- **Fasteners:** Different wall materials require different types of fasteners. Always use fasteners suitable for the specific walls in your home to ensure secure installation. Fasteners are not included.
- **Stability Check:** For increased stability and safety, re-tighten all screws approximately two weeks after initial assembly. Periodically check and re-tighten screws as needed.
- **Weight Limit:** Do not overload the shelf or hooks. Exceeding the recommended weight capacity can lead to instability and potential damage or injury.

SETUP AND ASSEMBLY

This product requires assembly. All necessary hardware for assembly (excluding wall fasteners) is included.

Image: The IKEA Varde Wall Shelf, showing its two white shelves and the stainless steel rail with five hooks positioned below the lower shelf.

Image: The IKEA Varde Wall Shelf with key dimensions indicated: Width 140 cm, Depth 21 cm, Height 50 cm.

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the packaging.
2. Assemble the shelf units according to the detailed instructions included in the product packaging. Ensure all connections are firm.
3. Attach the stainless steel rail with hooks to the designated position on the lower shelf support.
4. Select appropriate wall fasteners for your specific wall material (e.g., drywall anchors, concrete screws).
5. Carefully mark the drilling points on the wall, ensuring the shelf will be level.
6. Drill holes and insert wall fasteners as required.
7. Mount the assembled shelf unit securely to the wall using the appropriate fasteners.
8. Once mounted, re-tighten all screws after two weeks of use to ensure maximum stability.

OPERATING INSTRUCTIONS

The Varde Wall Shelf is designed for versatile use, primarily in kitchen or utility areas.

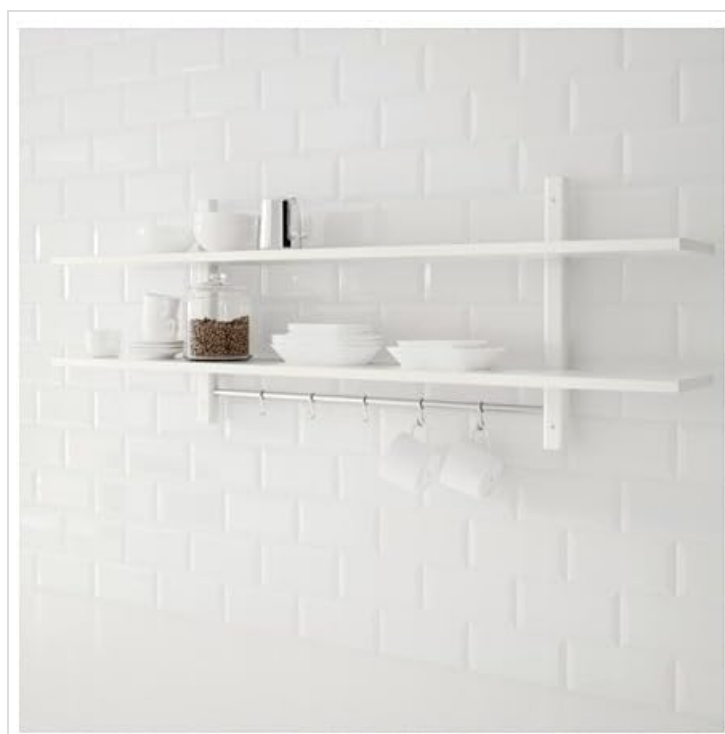

Image: The IKEA Varde Wall Shelf installed in a kitchen, holding various kitchenware such as bowls, jars, and mugs, demonstrating its practical use.

Image: A close-up view of the stainless steel rail and S-hooks, highlighting their design and functionality for hanging items.

- **Shelf Usage:** Use the two shelves for storing kitchen essentials, decorative items, or other household goods. The open design provides easy access.
- **Hook Usage:** The five stainless steel hooks on the rail are ideal for hanging cooking utensils, towels, oven mitts, or other small items, helping to save valuable countertop space.
- **Placement:** While designed for kitchens, the shelf can be used in bathrooms for organization or other rooms requiring wall-mounted storage.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Varde Wall Shelf.

- **Cleaning:** Wipe clean using a damp cloth and a mild cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the painted surfaces or stainless steel.
- **Drying:** Always wipe dry with a clean cloth immediately after cleaning to prevent water spots or moisture damage.
- **Screw Tightening:** Periodically check and re-tighten all assembly screws to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your Varde Wall Shelf, consider the following common solutions:

- **Shelf Feels Unstable:**
 - Ensure that the wall fasteners used are appropriate for your wall material and are securely installed.
 - Check all assembly screws and re-tighten them. Remember to re-tighten screws two weeks after initial assembly.
- **Damage to Surface:**
 - Avoid using sharp objects or abrasive materials on the painted surfaces.
 - Clean spills promptly to prevent staining.

PRODUCT SPECIFICATIONS

Model Number	502.413.37
Product Dimensions (Metric)	Width: 140 cm, Depth: 21 cm, Height: 50 cm
Product Dimensions (Imperial)	Width: 55 1/8 ", Depth: 8 1/4 ", Height: 19 5/8 "
Materials	Rail: Solid beech, Acrylic paint Shelf: Fiberboard, Acrylic paint Bar/Hook: Stainless steel
