## Sauder 419620

# Sauder Miscellaneous Storage Cabinet User Manual

Model: 419620 | Brand: Sauder

## INTRODUCTION

---

This manual provides essential information for the assembly, operation, and maintenance of your Sauder Miscellaneous Storage Cabinet. Designed to help organize clutter, this versatile cabinet features adjustable shelving and a durable Cinnamon Cherry finish, making it a functional addition to various rooms in your home.

Please read these instructions carefully before beginning assembly or use to ensure safe and proper handling of the product.

## SAFETY INFORMATION

---

### WARNING:

- Be careful of sharp edges during assembly.
- Always follow assembly instructions precisely to prevent injury or damage.
- For enhanced stability and safety, especially in homes with children or pets, it is highly recommended to secure the cabinet to a wall using the provided anti-tip hardware.
- Do not overload shelves. The maximum weight limit for shelves is 50 pounds.
- Keep small parts away from children during assembly.

## SETUP AND ASSEMBLY

---

Your Sauder Storage Cabinet requires assembly. While instructions are designed to be straightforward, having a second person assist can make the process easier and more efficient.

### Before You Begin:

- Unpack all components and verify against the parts list (typically included in the packaging) to ensure nothing is missing.
- Clear a spacious, clean area for assembly.
- Gather necessary tools (e.g., Phillips head screwdriver, hammer).
- Familiarize yourself with the different panels and hardware. Pay close attention to the orientation of left and right panels, especially regarding hinge placement, to avoid misassembly.

## Assembly Tips:

- Follow the step-by-step diagrams provided with your product.
- Do not overtighten screws, as this can damage the engineered wood.
- Ensure all connections are secure before moving or loading the cabinet.

## OPERATING INSTRUCTIONS

The Sauder Storage Cabinet is designed for versatile storage in various home environments.

## Adjustable Shelves:

The cabinet features two adjustable shelves and one fixed shelf. To adjust the height of the adjustable shelves:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove the shelf pins from their current holes.
3. Reinsert the shelf pins into the desired new holes, ensuring they are level.
4. Place the shelf back onto the pins, ensuring it is securely seated.

This flexibility allows you to customize the storage space for items of various sizes, such as groceries, cleaning supplies, linens, books, or board games.

## MAINTENANCE

---

To keep your Sauder Storage Cabinet in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they can damage the Cinnamon Cherry finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

## TROUBLESHOOTING

---

Here are some common issues and their potential solutions:

Problem	Possible Cause	Solution
Cabinet feels wobbly or unstable.	Loose fasteners; uneven floor; cabinet not secured to wall.	Check and tighten all screws. Ensure the cabinet is on a level surface. Install or verify the anti-tip hardware is properly secured to the wall.
Door does not align properly or close smoothly.	Hinges are misaligned or loose; cabinet frame is not square; incorrect panel orientation during assembly.	Adjust the hinges (refer to assembly instructions for hinge adjustment details). Ensure the cabinet was assembled squarely. If panels were installed incorrectly (e.g., left/right swapped), partial reassembly may be required.

Problem	Possible Cause	Solution
Shelves are not level.	Shelf pins are not fully inserted or are in uneven holes.	Ensure all four shelf pins are fully inserted into corresponding holes at the same height.

## SPECIFICATIONS

---

Feature	Detail
Brand	Sauder
Model Number	419620
Color	Cinnamon Cherry
Product Dimensions	13.94"D x 18"W x 60"H
Material	Engineered Wood
Finish Type	Paper Laminate
Number of Shelves	3 (Two adjustable, one fixed)
Weight Limit (per shelf)	50 Pounds
Item Weight	42.7 Pounds
Mounting Type	Floor Mount
