SETUP AND ASSEMBLY

The Sauder Boulevard Café Lounge Chair requires assembly. Please follow the included instructions carefully to ensure proper construction and stability. All necessary materials, hardware, and assembly instructions are provided with your purchase.

- Ensure all components are present before beginning assembly.
- Follow the step-by-step instructions provided in the packaging.
- Do not fully tighten screws until all parts are loosely assembled to allow for alignment.
- A second person may be helpful for attaching armrest and leg pieces.

OPERATING INSTRUCTIONS

This lounge chair is designed for comfortable seating in various indoor settings. Its mid-century modern style makes it suitable for living rooms, dining areas, or offices.

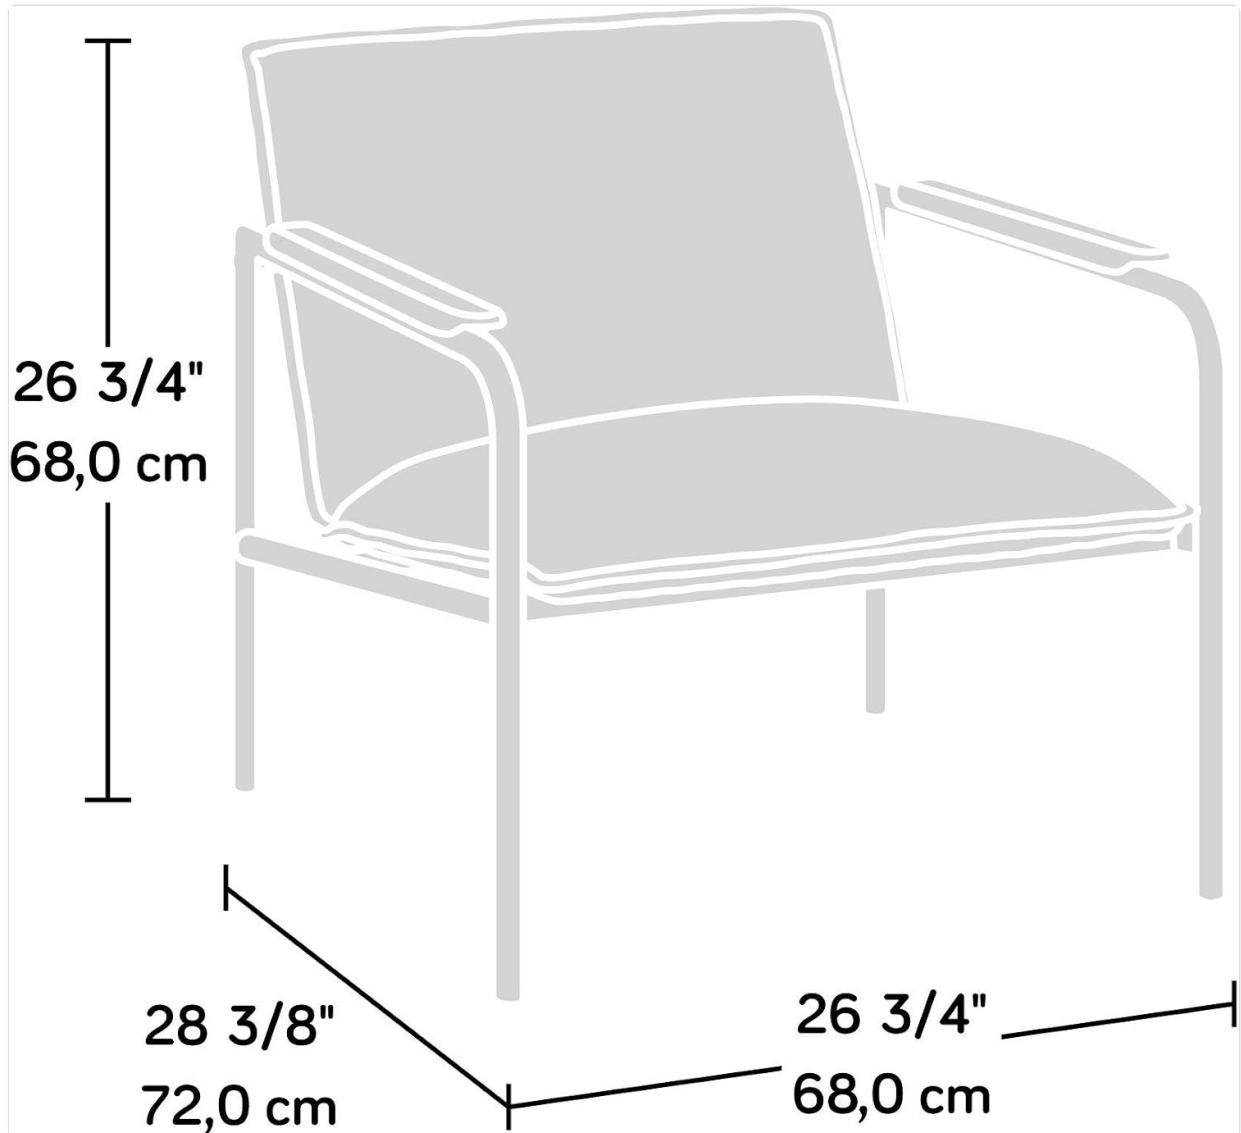

- The leather-like seat and back offer comfort for extended periods.
- The wooden arm caps provide a stylish and comfortable resting place for your arms.
- Recommended uses include lounging, reading, relaxing, and watching television.
- This chair is designed for indoor residential use only.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your Sauder Boulevard Café Lounge Chair, follow these care guidelines:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish or upholstery.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.

- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the upholstery.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 300 pounds.

TROUBLESHOOTING

This section provides solutions to common issues you might encounter with your lounge chair.

Loose Connections

If the chair feels wobbly, check all assembly screws and tighten them as needed. Avoid overtightening, which can strip the threads or damage the material.

Squeaking Sounds

Squeaking may indicate loose connections. Re-tighten all hardware. If the issue persists, disassemble and reassemble the affected section, ensuring all parts are correctly aligned and tightened.

Surface Scratches

Minor scratches on the powder-coated black metal frame can be touched up with a suitable black metal paint. For the leather-like upholstery, use a leather repair kit designed for synthetic materials, following the product's

instructions.
