## HealthSmart 40-500-190

# HealthSmart 500ML Essential Oil Diffuser User Manual

MODEL: 40-500-190

## Introduction

---

Thank you for choosing the HealthSmart 500ML Essential Oil Diffuser. This device combines the benefits of an essential oil diffuser, cool mist humidifier, and aromatherapy diffuser, designed to enhance your living space with soothing aromas and optimal humidity. Its compact and modern design makes it a perfect addition to any home or office environment. This manual provides detailed instructions for safe operation, setup, maintenance, and troubleshooting to ensure you get the most out of your diffuser.

## Important Safety Information

---

Please read all safety instructions carefully before using the diffuser. Failure to follow these instructions may result in electric shock, fire, or injury.

- Avoid direct skin contact with undiluted essential oils.
- Keep out of reach of children and pets.
- Ensure proper ventilation during use.
- Do not exceed the maximum water fill line.
- Always unplug the diffuser before cleaning or refilling.
- Use only the provided AC adapter.
- Do not place the diffuser on unstable surfaces.
- The diffuser will automatically shut off when water runs out.

## Package Contents

---

- HealthSmart 500ML Essential Oil Diffuser Unit
- AC Adapter (located inside the tank)
- User Manual

## Product Overview and Features

---

The HealthSmart 500ML Essential Oil Diffuser is designed for ease of use and effective aromatherapy. Key features include:

- **Large Capacity Tank:** 500mL tank suitable for large rooms, ensuring extended operation.
- **Automatic Shut-Off:** Safety feature that turns off the unit when water runs out, preventing overheating.
- **Smart Touch Panel:** Easy control for lighting, mist mode (high/low), and timer settings.
- **Adjustable Timer:** Set operation for 1 hour, 3 hours, 6 hours, or continuous mist until water runs out.
- **7 LED Light Colors:** Cycle through 7 different colors or select a single color to create a desired ambiance. Can also be used as a night light.
- **Versatile Use:** Functions as an aromatherapy diffuser, cool mist humidifier, or room air freshener.
- **Modern Design:** Sleek and compact with a beautiful wood grain base that complements any decor.

## 7 Different Mood Lights to Choose

Keep on one color or cycle through them all!

## Setup Instructions

---

Follow these simple steps to set up your HealthSmart Essential Oil Diffuser:

1. **Gently Remove Cover:** Carefully lift the top cover of the diffuser.
2. **Add Clean Fresh Water:** Pour clean, fresh water into the water tank. Do not exceed the maximum fill line indicated inside the tank. For best results, use distilled water.
3. **Add Favorite Blend of Oils:** Add 5-10 drops of your preferred essential oils directly into the water tank. Adjust the amount based on desired scent intensity.
4. **Replace Cover and Plug In:** Securely place the top cover back onto the diffuser. Connect the AC adapter to the diffuser and then plug it into a standard electrical outlet.

**1. Gently Remove Cover**

**2. Add Clean Fresh Water**

**3. Add Favorite Blend of Oils**

**4. Plug In, Turn On, and Enjoy**

## **Operating Instructions**

The diffuser features a smart touch panel for easy control of its functions.

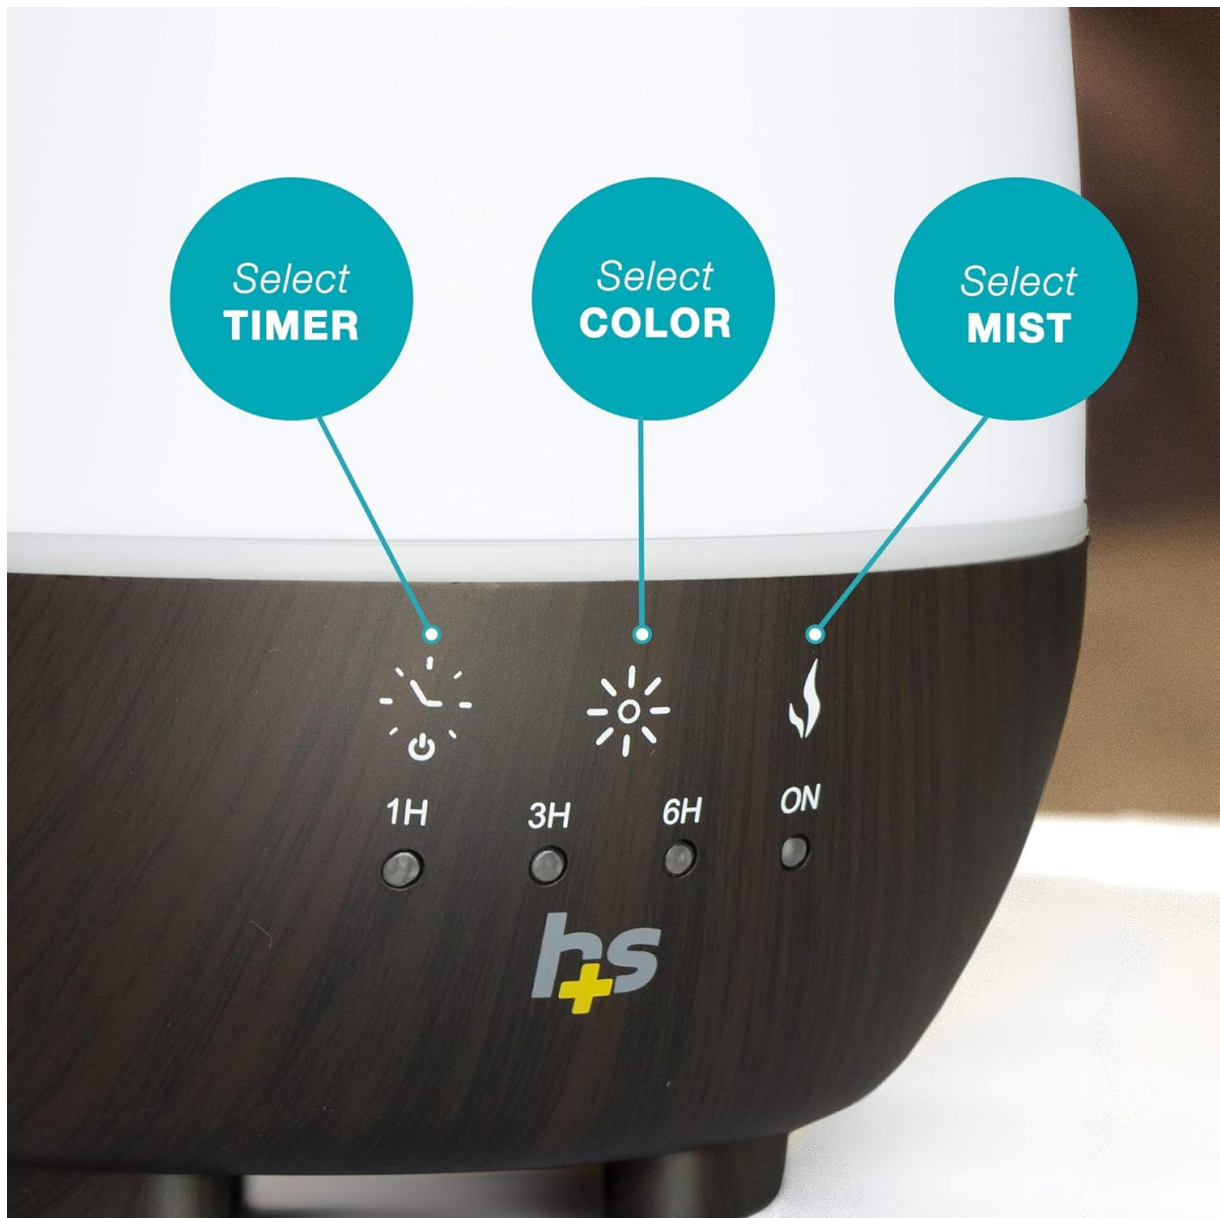

Image: Close-up view of the touch control buttons on the diffuser base for Timer, Color, and Mist settings.

- **Mist Control:** Touch the 'Mist' button (flame icon) to turn the mist on. Touch again to cycle between high and low mist modes. Touch a third time to turn the mist off.
- **Timer Settings:** Touch the 'Timer' button (clock icon) to select desired operating time: 1 hour, 3 hours, 6 hours, or continuous (ON). The corresponding indicator light will illuminate.
- **Light Control:** Touch the 'Color' button (sunburst icon) to turn on the LED light. Each subsequent touch will cycle through the 7 available colors. Hold the button down to fix the light on a single color. Touch again to turn the light off.

## Maintenance

---

Regular cleaning helps maintain the diffuser's performance and extends its lifespan.

- **Daily Cleaning:** After each use, empty any remaining water from the tank. Wipe the inside of the tank with a clean, soft cloth.
- **Weekly Cleaning:** For a more thorough cleaning, especially if using tap water, add a small amount of white vinegar (about 10ml) to the tank and let it sit for 5-10 minutes. Gently wipe the inside with a soft brush or cloth to remove any mineral buildup. Rinse thoroughly with clean water, avoiding the air outlet.
- **Important:** Do not immerse the base of the diffuser in water. Ensure no water enters the air outlet.
- **Storage:** If not in use for an extended period, clean and dry the diffuser thoroughly before storing it in a cool, dry place.

## Troubleshooting

---

Problem	Possible Cause	Solution
No mist or weak mist	Insufficient water; water level too high; mineral buildup; mist outlet blocked.	Add water to appropriate level; clean the ultrasonic plate; ensure mist outlet is clear.
No power	Power adapter not connected; no power from outlet.	Check power connection; try a different outlet.
Light not working	Light function not activated.	Press the 'Color' button to activate the light.
Unusual noise	Insufficient water; diffuser not on a flat surface.	Add water; place diffuser on a stable, flat surface.
