Pipedream PDX Elite RD526 Talk Dirty Rotobator Instruction Manual

Model: 59880

INTRODUCTION

Thank you for purchasing the Pipedream PDX Elite RD526 Talk Dirty Rotobator. This manual provides essential information for the safe and effective use, maintenance, and troubleshooting of your device. Please read this manual thoroughly before first use and retain it for future reference.

Image: The Pipedream PDX Elite RD526 Talk Dirty Rotobator shown in its retail box, highlighting its features like "Talks & Moans", "Rotating", and "Rechargeable".

Safety Precautions

- Do not immerse the electronic components in water. The device is waterproof, but the charging port should be kept dry during charging.
- Use only the provided charging cable.
- Store in a cool, dry place away from direct sunlight.
- Keep out of reach of children.

- Discontinue use if any discomfort or irritation occurs.

PRODUCT OVERVIEW

The Pipedream PDX Elite RD526 is an automated masturbator designed for an immersive experience. It features multiple rotation patterns and suggestive audio. The device is rechargeable and made from durable materials.

Image: A top-down view of the Pipedream PDX Elite RD526, showing the transparent internal sleeve with textured nubs and the black outer casing with control buttons.

Components:

- Main Unit (Rotobator)

- Internal Sleeve (removable)
- 3 Cock Rings (various sizes)
- USB Charging Cable
- User Manual (this document)

SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Initial Charge:** Before first use, fully charge the device. Connect the provided USB charging cable to the DC port on the device and plug the other end into a USB power source (e.g., computer, wall adapter). The indicator light will show charging status.

Image: A close-up view of the charging port located at the base of the Pipedream PDX Elite RD526, with the charging cable being inserted.

3. **Clean:** Before first use and after each use, clean the internal sleeve and the exterior of the device as described in the "Maintenance" section.

OPERATING INSTRUCTIONS

Image: A front view of the Pipedream PDX Elite RD526, clearly showing the three control buttons and indicator lights on the black casing.

1. **Power On/Off:** Press and hold the power button (top button) for 2-3 seconds to turn the device on or off. The indicator lights will illuminate when powered on.
2. **Rotation Modes:** Press the middle button to cycle through the 7 exciting rotation patterns. Each press will change the pattern.
3. **Audio Control:** Press the bottom button to activate or deactivate the suggestive audio.
4. **Usage:** Apply a water-based lubricant to the internal sleeve for optimal comfort and experience.

MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your device.

- **Cleaning:**
 - Remove the internal sleeve from the main unit.
 - Wash the internal sleeve thoroughly with warm water and a mild, toy-safe soap. Rinse completely.
 - Wipe the exterior of the main unit with a damp cloth and mild soap. Do not submerge the main unit in water.
 - Allow all parts to air dry completely before reassembling or storing.
- **Storage:** Store the device in a clean, dry, and dust-free environment, away from extreme temperatures and direct sunlight.
- **Lubricant:** Always use water-based lubricants with this product to prevent damage to the material.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not turn on.	Battery is depleted.	Charge the device fully using the provided USB cable.
Rotation is weak or inconsistent.	Low battery or obstruction.	Recharge the device. Ensure the internal sleeve is correctly inserted and free from debris.
Audio is not working.	Audio function is off or low battery.	Press the audio control button to activate. Recharge the device.
Device feels uncomfortable.	Insufficient lubrication or improper use.	Ensure adequate water-based lubricant is used. Review operating instructions. Discontinue use if discomfort persists.

SPECIFICATIONS

Product Name: Pipedream PDX Elite RD526 Talk Dirty Rotobator

Model Number: 59880

Brand: Pipedream

Material: Acrylonitrile Butadiene Styrene (ABS)

Color: Transparent (sleeve), Black (main unit)

Dimensions (L x W x H): 24.13 x 8.26 x 2.54 cm (approx. 9.5 x 3.25 x 1 inches)
