FaceWear FW1006

FaceWear Classic Round Retro Sunglasses FW1006 User Manual

Model: FW1006

Introduction

Thank you for choosing FaceWear Classic Round Retro Sunglasses. This manual provides essential information for the proper use, care, and maintenance of your new sunglasses. Designed for both style and protection, these sunglasses feature UV400 protection and a durable metal frame, suitable for various outdoor activities.

Package Contents

- 1x FaceWear Classic Round Retro Sunglasses
- 1x Microfiber cleaning cloth
- 1x Microfiber pouch
- 1x Exquisite Packaging (for storage)

Setup

Your FaceWear sunglasses are ready for immediate use upon unboxing. No assembly is required.

1. **Unpack:** Carefully remove the sunglasses from their packaging and microfiber pouch.
2. **Initial Inspection:** Check for any visible damage or loose parts. The hinges are designed to be tight to prevent loosening over time.
3. **Adjust Nose Pads:** The anti-slip silicone nose pads are adjustable. Gently bend the metal arms supporting the nose pads to achieve a comfortable and secure fit on your nose bridge.

Operating Instructions

These sunglasses are designed to provide eye protection and enhance visual clarity in bright conditions.

- **Wearing:** Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose and the temples extend over your ears.
- **UV Protection:** The lenses feature 100% UV400 protection, blocking harmful UVA and UVB rays. This provides full protection during outdoor activities such as walking, cycling, driving, shopping, traveling, and hiking.
- **Visual Clarity:** The high-quality lenses offer comprehensive barrier glare reduction, showing clear details and reducing eye strain, especially while driving.

Maintenance and Care

Proper care will extend the life and maintain the performance of your sunglasses.

- **Cleaning:** Use the provided microfiber cleaning cloth to gently wipe the lenses and frame. For stubborn smudges, lightly dampen the cloth with water or a specialized lens cleaner. Avoid using paper towels, clothing, or harsh chemicals, as these can scratch the lenses.
- **Storage:** When not in use, store your sunglasses in the microfiber pouch or the exquisite packaging to protect them from scratches and dust.
- **Temperature:** Avoid exposing the sunglasses to extreme heat, such as leaving them on a car dashboard in direct sunlight, as this can damage the frame and lens coatings.
- **Handling:** Always hold the sunglasses by the frame when putting them on or taking them off to prevent bending the temples or misaligning the lenses.

Troubleshooting

Issue	Solution
Sunglasses feel loose or slide down.	Gently adjust the metal arms of the nose pads to narrow the gap or position them more securely on your nose bridge.
Lenses appear smudged or dirty.	Clean with the provided microfiber cloth. For persistent marks, use a small amount of water or lens cleaner.
Frame feels hot after prolonged sun exposure.	This is normal for metal frames. Allow the sunglasses to cool down before wearing if uncomfortable. Avoid leaving them in extreme heat.
