Sunbeam Flexible Neck LED Desk Lamp Instruction Manual

Model: SG_B07C953LP6_US

INTRODUCTION

This manual provides detailed instructions for the safe and efficient use of your Sunbeam Flexible Neck LED Desk Lamp. Please read this manual thoroughly before operating the product and retain it for future reference.

The Sunbeam Flexible Neck LED Desk Lamp is designed to provide adjustable, eye-caring illumination for various tasks, featuring a flexible neck for precise light positioning and multiple brightness settings.

SAFETY INFORMATION

- Ensure the lamp is placed on a stable, flat surface to prevent tipping.
- Do not expose the lamp to water or excessive moisture.
- Do not attempt to disassemble or modify the lamp. There are no user-serviceable parts inside.
- Keep the lamp away from heat sources and direct sunlight.
- Use only the power adapter supplied with the lamp.
- Unplug the lamp from the power outlet before cleaning or if it will not be used for an extended period.
- This lamp contains integrated LED components. Do not attempt to replace the LED bulbs.

PACKAGE CONTENTS

Verify that all items are present in your package:

- Sunbeam Flexible Neck LED Desk Lamp (Quantity: 2)
- Power Adapter (Quantity: 2)
- Instruction Manual (This document)

Image: Two Sunbeam Flexible Neck LED Desk Lamps, as included in the package.

SETUP

1. **Unpack the Lamp:** Carefully remove the lamp and all components from the packaging.
2. **Position the Lamp:** Place the lamp base on a stable, flat surface where you intend to use it.
3. **Adjust the Neck:** Gently bend the flexible neck to position the lamp head as desired. Avoid excessive force or sharp bends.
4. **Connect Power:** Insert the small end of the power adapter into the power port located on the back of the lamp base. Plug the other end of the power adapter into a standard electrical outlet.

OPERATING INSTRUCTIONS

The Sunbeam Flexible Neck LED Desk Lamp features a touch-sensitive control for power and brightness adjustment.

- Power On/Off:** Lightly touch the power icon () on the lamp base to turn the lamp on or off.
- Adjust Brightness:** The lamp offers three brightness levels. After turning the lamp on, repeatedly touch the power icon () to cycle through the brightness settings:
 - First touch: Low brightness
 - Second touch: Medium brightness
 - Third touch: High brightness
 - Fourth touch: Lamp turns off
- Adjust Light Direction:** Use the flexible neck to direct the light precisely where needed. The neck can be bent and twisted to achieve various angles and heights.

MAINTENANCE

- Cleaning:** Disconnect the lamp from the power source before cleaning. Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners, solvents, or harsh chemicals.
- Storage:** If storing the lamp for an extended period, unplug it and store it in a cool, dry place, away from direct sunlight.
- LED Lifespan:** The integrated LED light source is designed for long-term use (approximately 36,000 hours) and does not require replacement.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in. Power outlet is not active. Power adapter is faulty.	Ensure the power adapter is securely plugged into both the lamp and the wall outlet. Test the outlet with another device. Contact customer support if the adapter is suspected to be faulty.
Lamp flickers or light is inconsistent.	Loose connection. Power fluctuations.	Check all connections. Try plugging the lamp into a different outlet or a surge protector.
Touch control is unresponsive.	Temporary electronic glitch.	Unplug the lamp for 30 seconds, then plug it back in.
