Simmons Kids SlumberTime Paloma 4-in-1 Convertible Crib Instruction Manual

Model: 328150-084 | Brand: Delta Children

PRODUCT OVERVIEW

The Simmons Kids SlumberTime Paloma 4-in-1 Convertible Crib is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed. Crafted from sturdy pine with a rustic grey finish, it features adjustable mattress heights and meets safety standards.

SETUP AND ASSEMBLY

Assembly of the Simmons Kids SlumberTime Paloma 4-in-1 Convertible Crib is designed to be straightforward. Follow the detailed instructions provided in the packaging for step-by-step guidance. Ensure all components are present before beginning assembly.

Key Assembly Points:

- Identify all parts and hardware.
- Attach the headboard and footboard to the side rails.
- Install the mattress support at the desired height.
- Secure all bolts and screws firmly, but do not overtighten.
- Regularly check all connections to ensure they remain secure.

OPERATING AND CONVERSION

The Paloma crib offers versatility with its 4-in-1 convertible design and adjustable mattress heights.

Mattress Height Adjustment:

The crib features a 3-position mattress height adjustment. As your baby grows and becomes more mobile (e.g., sitting up or standing), lower the mattress support to prevent climbing out. Always use the lowest position once your child can stand unassisted.

Adjustable Mattress Heights

***Positions measured from the top of a 6" mattress**

4-in-1 Conversion Options:

This crib converts into a toddler bed, daybed, and full-size bed with headboard and footboard. Conversion kits are sold separately.

- **Crib:** Standard configuration for infants.
- **Toddler Bed:** Requires Daybed/Toddler Guardrail Kit #328725 (sold separately).
- **Daybed:** Achieved by removing the front rail.
- **Full-Size Bed:** Requires Full Size Bed Rails #0050-001 (sold separately) to convert the headboard and footboard into a full-size bed frame.

MAINTENANCE AND CARE

To maintain the quality and appearance of your Simmons Kids SlumberTime Paloma Crib, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid abrasive cleaners or strong chemicals that may damage the finish.
- **Regular Checks:** Periodically inspect all screws, bolts, and other hardware to ensure they are tight and secure.
- **Wood Finish:** The rustic grey finish is hand-distressed and soft-textured, making each piece unique. Minor variations are normal.

TROUBLESHOOTING

If you encounter any issues with your crib, consider the following common solutions:

- **Wobbly Frame:** Check all bolts and screws. Tighten any loose connections. Ensure the crib is on a flat, even surface.

- **Difficulty Adjusting Mattress Height:** Ensure the mattress support is properly aligned with the designated holes on the end panels. Do not force the mechanism.
- **Missing Parts:** Refer to your assembly manual for a complete parts list. Contact Delta Children customer support for replacement parts.
