Pokémon FVK80

Mega Pokémon Construx Building Set Instruction Manual

Model: FVK80

PRODUCT OVERVIEW

This Mega Pokémon Construx building set allows you to recreate an action-packed Alolan battle scene featuring rival Pokémon duos. The set includes buildable figures of Weavile, Sandygast, Wingull, and Pikachu, along with environmental elements like a beach, bridge, and ice cave.

Key Features:

- Buildable battle scene inspired by the Alola region.
- Includes four buildable Pokémon figures: Weavile, Sandygast, Wingull, and Pikachu.
- Comprises 398 pieces, designed for builders aged 8 and up.
- Bricks are compatible with all Mega Construx building sets and major brands.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step visual instructions provided in the included building guide. Sort pieces by color and shape to facilitate the assembly process.

1. **Unpack Components:** Carefully open the packaging and remove all building pieces and the instruction booklet. Verify that all 398 pieces are present. Refer to the parts list in the instruction booklet.
2. **Sort Pieces:** Organize the building blocks by color, size, and type. This will significantly speed up the assembly process.
3. **Build Environmental Elements:** Begin by constructing the base plates for the beach, bridge, and ice cave sections as indicated in the manual.
4. **Assemble Structures:** Proceed to build the detailed structures of the beach, bridge, and ice cave, following the numbered steps in the instruction booklet. Pay close attention to the orientation of each brick.
5. **Construct Pokémon Figures:** Assemble the four Pokémon figures: Pikachu, Wingull, Weavile, and Sandygast. Each figure has unique assembly steps.
6. **Integrate Figures:** Once the environment and figures are built, place the Pokémon figures within the battle scene as desired, or as suggested in the manual for display.

OPERATING AND PLAY

Once assembled, the Mega Pokémon Construx Tropical Frost Showdown set is ready for imaginative play. The figures feature articulation points allowing for dynamic posing and battle recreation.

- **Recreate Battles:** Position Pikachu and Wingull against Weavile and Sandygast to simulate epic Pokémon battles.
- **Dynamic Posing:** Utilize the movable joints on the figures to create various action poses.
- **Expand Your World:** This set is compatible with other Mega Construx building sets, allowing for expanded play scenarios and custom creations.

CARE AND MAINTENANCE

Proper care will ensure the longevity of your building set.

- **Cleaning:** To clean the building blocks and figures, wipe them gently with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic components.
- **Disassembly:** If disassembling the set for storage, do so carefully to avoid damaging the connection points of the bricks.

TROUBLESHOOTING

Common issues and their solutions:

- **Missing Pieces:** If you find any pieces missing upon opening the set, first double-check all packaging materials. If pieces are still missing, contact the manufacturer's customer support for assistance.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly aligned before applying pressure. Some new pieces may require a firm push to connect securely.
- **Figures Not Standing:** Ensure the figures are assembled correctly and their joints are properly aligned. Adjust their stance for better balance.

PRODUCT SPECIFICATIONS

Attribute	Detail
-----------	--------

Brand	Pokémon
Model Number	FVK80
Number of Pieces	398
Product Dimensions (L x W x H)	5.4 x 39.4 x 26.2 cm
