Humble Crew WO701

Humble Crew Supersized Toy Storage Organizer User Manual

Model: WO701

PRODUCT OVERVIEW

The Humble Crew Supersized Toy Storage Organizer is designed to provide an efficient and organized solution for children's toys. This unit features a sturdy engineered wood frame with steel shelving rods and includes 16 removable storage bins (12 standard and 4 large) for ample storage capacity. Its design promotes easy access and visibility of stored items, making cleanup simpler.

It is crucial to install the provided wall anchor anti-tip kit to prevent accidental tipping, especially in households with children. Follow the instructions carefully for secure installation.

OPERATING INSTRUCTIONS

The Humble Crew Toy Storage Organizer is designed for intuitive use, allowing children easy access to their toys and promoting independent cleanup.

Using the Bins:

- The 16 plastic bins are removable and can be easily slid in and out of the shelving rods.
- Utilize the different bin sizes (standard and large) to categorize and store various types of toys, books, or art supplies.
- Encourage children to place toys back into the appropriate bins after playtime to maintain an organized space.

MAINTENANCE AND CARE

Proper care and maintenance will ensure the longevity of your Humble Crew Toy Storage Organizer.

- **Cleaning the Frame:** Wipe the engineered wood frame with a dry cloth to remove dust and dirt. Avoid using abrasive cleaners or excessive moisture, which can damage the finish.
- **Cleaning the Bins:** The plastic bins can be easily removed and washed with mild soap and water. Ensure they are completely dry before placing them back into the organizer.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight and secure. Re-tighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your toy storage organizer, consider the following common solutions:

- **Instability/Wobbling:** Ensure all assembly screws are fully tightened. Verify that the unit is placed on a flat, level surface. Confirm the wall anchor anti-tip kit is correctly installed and secured to a wall stud.
- **Bins Not Sliding Smoothly:** Check for any debris or obstructions on the steel shelving rods. Ensure the bins are correctly aligned on the rods.

- **Missing or Damaged Parts:** Upon receipt, inspect all components. If any parts are missing or arrive damaged, contact Humble Crew customer support immediately for replacements. Do not attempt to assemble with damaged or missing parts.
