

LITTLE TREES Black Ice

LITTLE TREES Black Ice Car Air Freshener Instruction Manual

Model: Black Ice (3-Pack)

1. INTRODUCTION

This manual provides instructions for the proper use and care of your LITTLE TREES Black Ice Car Air Freshener. Designed to deliver a high-quality, long-lasting fragrance, this product is suitable for use in your car, home, or office.

The Black Ice fragrance is characterized by a masculine blend of sandalwood, bergamot, and lemon, offering a distinctive and appealing aroma.

2. SETUP AND INSTALLATION

Follow these steps to install and optimize the fragrance release of your LITTLE TREES air freshener:

1. **Unpack Gradually:** Open the top of the plastic packaging. Do not remove the entire plastic packaging at once.
2. **Adjust Fragrance Intensity:** Pull the Little Tree air freshener out of the packaging gradually, approximately 1 centimeter (0.4 inches) per week. This method allows you to control the fragrance intensity and extend the product's lifespan.
3. **Placement:** Hang the air freshener in your desired location using the included string. Ensure it hangs freely and does not come into direct contact with any surfaces.

Note: Removing the entire plastic packaging during the first few days will result in an extremely strong scent, which may reduce the air freshener's effective lifespan to as little as 2 weeks.

COMO USAR

Abra a parte superior da embalagem plástica e puxe a Little Tree um pouco para fora (1cm por semana) ajustando a intensidade do perfume e, em seguida, pendure no local desejado. Seguindo os passos indicados, a duração será de até 7 semanas.

OBS: Recomenda-se não retirar toda a embalagem plástica nos primeiros dias, pois o cheiro ficará extremamente forte, diminuindo a vida útil do aromatizante em até 2 semanas.

Acompanha originalmente a cordinha para você pendurar em qualquer lugar, cheirinho muito agradável.

3. SAFETY INFORMATION

- **Avoid Surface Contact:** Always hang the air freshener freely. Do not allow it to come into contact with any surfaces, including plastics, painted surfaces, or textiles, as this may cause damage or discoloration.
- **Keep Away from Children:** This product is not a toy. Keep out of reach of children and pets.
- **Ventilation:** Use in well-ventilated areas.
- **Ingestion:** Do not ingest. If swallowed, seek medical attention immediately.
