# BergHOFF Leo Premium Travel Flatware Set Instruction Manual

Model: 3950130

## INTRODUCTION

---

This manual provides essential information for the proper use and care of your BergHOFF Leo Premium 18/10 Stainless Steel 4-piece reusable travel flatware set. Designed for convenience and durability, this set includes a knife, spoon, fork, and a protective silicone sleeve, making it ideal for on-the-go dining. Please read these instructions carefully to ensure optimal performance and longevity of your product.

## PACKAGE CONTENTS

---

Your BergHOFF Leo Premium Travel Flatware Set includes the following items:

Stainless Steel Knife

Stainless Steel Spoon

Stainless Steel Fork

Silicone Sleeve

## SETUP

---

### First Use

Before using your new flatware set for the first time, wash all pieces (knife, spoon, fork, and silicone sleeve) thoroughly with warm water and mild soap. Rinse completely and dry with a soft cloth. This removes any manufacturing residues.

## OPERATING INSTRUCTIONS

---

### Assembling the Flatware Set in the Sleeve

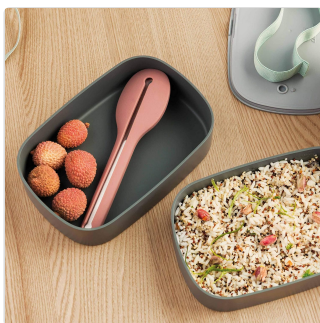

The silicone sleeve is designed to securely hold your flatware for travel. To insert the flatware, slide each piece into the designated slots within the silicone sleeve. For optimal fit and to prevent damage to the sleeve, it is recommended to insert the spoon first, followed by the fork, and then the knife. Ensure all pieces are fully seated within the sleeve.

## MAINTENANCE & CARE

---

### Cleaning

To maintain the quality and longevity of your flatware set, follow these cleaning guidelines:

- **Hand Washing:** Wash the flatware and silicone sleeve with warm water, mild soap, and a non-abrasive sponge. Rinse thoroughly and dry immediately to prevent water spots.
- **Dishwasher Safe:** The flatware and silicone sleeve are dishwasher safe. Place them in the dishwasher, ensuring they are not in contact with other metal items that could cause scratching. Use a gentle cycle and mild detergent.
- **Avoid:** Do not use harsh detergents, abrasive cleaners, or steel wool, as these can damage the stainless steel finish or the silicone material.

### Storage

Store the clean and dry flatware pieces within their silicone sleeve to keep them organized and protected. The compact design ensures they take up minimal space in your drawer, bag, or travel kit.

## TROUBLESHOOTING

---

Most issues with this flatware set can be resolved with proper care and handling. If you encounter any problems, consider the following:

- **Difficulty inserting flatware into sleeve:** Ensure the flatware pieces are oriented correctly and inserted one by one. Avoid forcing them.
- **Water spots on flatware:** This is common with stainless steel. To prevent, dry the flatware immediately after washing. For existing spots, a vinegar solution can help.

- **Silicone sleeve feels sticky:** Wash the sleeve thoroughly with warm, soapy water. Ensure it is completely dry before storing.
