SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assembly should be performed by two adults.
- Place the bed on a soft, clean surface (e.g., carpet or blanket) during assembly to prevent scratching.
- Do not overtighten screws or bolts, as this may damage the material.
- Regularly check and tighten all connections to ensure stability.
- This bed requires the use of a box spring or foundation for proper mattress support.

PACKAGE CONTENTS

Verify that all components listed below are included in your package. If any parts are missing, please contact customer support.

Components:

- Headboard (1)
- Footboard (1)
- Side Rails (2)
- Center Support Rail (1)
- Support Legs (4)
- Wooden Slats (Quantity may vary, typically 3-4)
- Hardware Pack (Bolts, Washers, Allen Wrench)

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your bed frame.

1. **Step 1: Attach Support Legs to Headboard and Footboard.**

Carefully attach the support legs to the designated points on the headboard and footboard using the provided hardware. Ensure they are securely fastened but do not overtighten.

2. Step 2: Connect Side Rails to Headboard and Footboard.

Align the side rails with the brackets on the headboard and footboard. Secure them using the bolts and washers from the hardware pack. Tighten all connections with the Allen wrench.

3. Step 3: Install Center Support Rail and Legs.

Place the center support rail along the length of the bed frame. Attach the additional support legs to this rail and ensure they are evenly spaced and firmly on the ground.

4. **Step 4: Place Wooden Slats.**

Distribute the wooden slats evenly across the bed frame, resting them on the side rails and the center support rail. Secure them if your model includes pre-drilled holes or fasteners.

5. **Step 5: Final Check.**

Ensure all bolts are tightened and the bed frame is stable. Place your box spring/foundation and mattress on the assembled frame.

USAGE GUIDELINES

To ensure the longevity and proper function of your bed:

- Always use a box spring or foundation with this bed to provide adequate support for your mattress and prevent damage to the frame.
- Avoid standing or jumping on the bed.
- Distribute weight evenly across the bed surface.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and durability of your upholstered bed.

- **Cleaning Faux Leather:** Wipe with a soft, damp cloth. For tougher stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the headboard and frame with a soft, dry cloth.
- **Inspections:** Periodically check all bolts and connections and tighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading and material degradation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose connections; uneven floor.	Ensure all bolts are securely tightened. Check if the bed is on a level surface; use shims if necessary.
Mattress sags or sinks.	No box spring/foundation; damaged slats.	This bed requires a box spring or foundation. Ensure all wooden slats are properly placed and undamaged.
Chemical odor.	New product off-gassing.	Ventilate the room thoroughly for several days. The odor should dissipate over time.
