Ingenuity SmartClean Trio Elite 3-in-1 Convertible Baby High Chair Instruction Manual

MODEL: SMARTCLEAN TRIO ELITE

1. Product Overview

The Ingenuity SmartClean Trio Elite 3-in-1 High Chair in Slate is a versatile feeding solution designed to adapt as your child grows. It seamlessly transforms from a traditional highchair to a chair top booster and a toddler seat. This product is engineered for ease of cleaning and features a modern design to complement contemporary home decor. Suitable for babies aged 6 months and up, with a maximum weight capacity of 50 pounds.

3. Setup and Assembly

Assembly is required for the Ingenuity SmartClean Trio Elite High Chair. Please refer to the detailed instructions provided in the product packaging for step-by-step guidance. Ensure all components are securely fastened before use.

To disassemble the full high chair, remove the seat pad, harness, and straps from the frame. The modular design allows for easy conversion between modes.

4. Operating Modes

4.1. Full-Size High Chair Mode

Use this mode for infants and toddlers who are ready for solids. The full high chair provides a stable and secure feeding environment with the attached tray and 5-point harness.

4.2. Chair Top Booster Mode

As your child grows, the seat can be detached from the high chair frame and secured to an adult dining chair using the included straps. This allows your child to join the family at the dining table.

Mode 2: Chair Top High Chair

4.3. Toddler Seat Mode

The high chair frame can be converted into a standalone toddler seat. This is ideal for older toddlers who no longer require a booster but still benefit from a dedicated seating solution at a lower height, often used at a table or for play.

Mode 3: Toddler chair

5. Cleaning and Maintenance

The Ingenuity SmartClean Trio Elite is designed for easy cleaning to simplify mealtime messes.

- **EasyClean Tray:** The BPA-free tray is dishwasher safe. It can be easily removed with one hand for quick cleaning.
- **Wipe-Clean Surfaces:** Both the high chair frame and the EVA foam seat insert can be wiped clean with a damp cloth and mild soap.
- **Removable Harness:** The 5-point harness straps are removable for thorough cleaning.

7. Troubleshooting

If you encounter any issues with your Ingenuity SmartClean Trio Elite High Chair, please consider the following:

- **Assembly Issues:** Double-check all connections and ensure parts are correctly aligned as per the assembly instructions.
- **Harness Adjustment:** Ensure the 5-point harness is properly threaded and adjusted to your child's size for a secure fit. Refer to the harness adjustment section in the full manual.
- **Tray Functionality:** If the tray is difficult to attach or remove, ensure the release levers are fully engaged or disengaged. Check for any food debris obstructing the mechanism.
- **Stability:** Always ensure the high chair is placed on a flat, stable surface. If using the booster mode, confirm it is securely strapped to a sturdy adult dining chair.
