

nanoblock NBCC050

Nanoblock NBCC_050 One Piece Chopper Micro Building Blocks Instruction Manual

Model: NBCC_050

PRODUCT OVERVIEW

The Nanoblock NBCC_050 One Piece Chopper Micro Building Blocks set allows you to construct a detailed miniature model of Tony Tony Chopper from the popular One Piece series. This set consists of 160 micro-sized building blocks, offering a stimulating and engaging building experience for enthusiasts.

Nanoblock pieces are significantly smaller than standard building blocks, enabling intricate designs and fine details in the finished model. This product is designed for individuals aged 12 years and above.

IMPORTANT SAFETY INFORMATION

Please read all safety information before beginning assembly. Retain this manual for future reference.

- **Small Parts Warning:** This product contains small parts which may pose a choking hazard. Not suitable for children under 3 years of age.
- **Recommended Age:** This building set is recommended for ages 12 to 18 years.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger users.
- **Handling:** Handle blocks with care to avoid loss or damage.

What's nanoblock®?

ナノブロックは最小ブロックの縦×横×高さがわずか4×4×5mm。日本生まれの超ミニサイズブロックです。“作って楽しい、飾って楽しい、集めて楽しい。” 大人が時間を忘れて没頭できる、全く新しいホビーブロックです。

nanoblock® is an extremely micro-sized building block born in JAPAN. The smallest part is a mere 4×4×5mm! “Fun to make, Fun to display, and Fun to collect.” nanoblock® is a stimulating and entertaining hobby material for everybody, especially for grown-ups.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included physical assembly manual. Due to the micro size of the blocks, careful attention to detail is essential.

- 1. Preparation:** Clear a well-lit, flat surface for assembly. Organize the blocks by color or shape if desired, though the small size may make this challenging.
- 2. Follow the Manual:** Refer to the dedicated assembly instruction booklet that came with your Nanoblock set. Each step will illustrate which blocks to use and where to place them.
- 3. Precision:** Nanoblocks require precision. Use tweezers if necessary for placing very small pieces.
- 4. Verification:** Double-check each step before proceeding to ensure correct placement and stability of the model.
- 5. Completion:** Once all steps are followed, your Nanoblock One Piece Chopper model will be complete.

Note: The actual assembly steps are detailed in the physical instruction manual included in the product packaging. This section provides general guidance for the building process.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your Nanoblock model, follow these care guidelines:

- Cleaning:** Gently dust the model with a soft brush or a can of compressed air. For more stubborn dirt, lightly dampen a cloth with water and carefully wipe the blocks. Avoid harsh chemicals.
- Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.
- Disassembly:** If disassembling, do so carefully to avoid damaging the blocks. Store blocks in a secure container to prevent loss.

TROUBLESHOOTING

Common issues and their resolutions:

- Missing Pieces:** If you find that pieces are missing from your set, please contact the Nanoblock manufacturer directly for assistance. Refer to the "Warranty and Support" section for contact information.
- Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct blocks for each step. Nanoblocks are small and require patience.
- Model Instability:** Re-check previous steps to ensure all blocks are firmly connected and correctly placed according to the instructions.

PRODUCT SPECIFICATIONS

Feature	Detail
