Tvilum Glasgow TV Stand

Tvilum Glasgow TV Stand Instruction Manual

Model: Glasgow TV Stand

1. PRODUCT OVERVIEW

The Tvilum Glasgow TV Stand is designed to provide a functional and stylish solution for your entertainment area. It features a contemporary design with a two-tone finish, offering both open and concealed storage options, including a drawer and cabinets. Integrated wire management helps keep cables organized.

This product is made from PEFC Certified Sustainable Wood and manufactured in Denmark, reflecting a commitment to quality and environmental responsibility.

2. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not exceed the maximum weight capacity for the top surface or shelves. Refer to the specifications section for details.
- **Anti-Tip Device:** If an anti-tip device is included, it is strongly recommended to install it to prevent serious injury from tipping furniture.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use.
- **Children:** Keep children away from the assembly area. Do not allow children to climb on or play with the TV stand.
- **Placement:** Place the TV stand on a level surface to ensure stability.

3. SETUP AND ASSEMBLY

3.1 Unpacking

Carefully remove all components from the packaging. Check the parts list against the included hardware kit to ensure all pieces are present. Do not discard packaging until assembly is complete.

3.2 Required Tools

- Phillips Head Screwdriver
- Hammer (for dowels, if applicable)
- Measuring Tape (optional, for placement)

3.3 Assembly Steps

Follow the detailed assembly instructions provided in the separate assembly manual included with your hardware kit. General steps typically include:

1. Attach the legs to the base of the unit.
2. Assemble the main frame and internal partitions.
3. Install drawer slides and assemble the drawer.
4. Attach cabinet doors and adjust hinges for proper alignment.
5. Insert shelves and any back panels.
6. Install the wire management grommet.

4. OPERATING INSTRUCTIONS

4.1 Placing Your Television

Place your television centrally on the top surface of the stand. Ensure the TV's base fits securely within the dimensions of the stand's top. Do not place a television that exceeds the stand's weight capacity or width.

4.2 Using Storage Compartments

The Glasgow TV Stand features both open shelving, a pull-out drawer, and two side cabinets. Use the open shelf for media devices like soundbars or gaming consoles. The drawer and cabinets provide concealed storage for accessories, remotes, or other items.

Image 4.2: Detailed view of an open drawer, showing its construction and smooth operation.

4.3 Wire Management

Utilize the integrated wire management grommet located on the top surface to route cables from your television and media devices. This helps maintain a tidy appearance and prevents cable clutter.

Image 4.3: Close-up of the wire management opening, designed for organizing cables.

5. MAINTENANCE

To maintain the appearance and longevity of your Tvilum Glasgow TV Stand, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat:** Do not place hot items directly on the surface without protection.
- **Hardware:** Periodically check and tighten all assembly hardware to ensure the stand remains stable.

6. TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common troubleshooting tips:

- **Wobbly Stand:** Ensure the stand is placed on a level surface. Check that all screws and fasteners are securely tightened. If adjustable feet are present, use them to level the unit.
- **Drawer/Door Misalignment:** Adjust the hinges on the cabinet doors or the drawer slides to correct any misalignment. Refer to the assembly manual for specific adjustment instructions.
- **Missing Parts:** If any parts were missing upon unpacking, contact Tvilum customer support with your product model and a description of the missing components.
- **Scratches/Minor Damage:** For minor scratches, touch-up pens or furniture repair kits designed for the specific finish may be used.
