Hot Wheels FTH80

Hot Wheels Electric Tower Playset

Model: FTH80

Brand: Hot Wheels

1. OVERVIEW

The Hot Wheels Electric Tower Playset offers classic Hot Wheels action with iconic cars, orange track, and a launcher. This playset allows kids to perform various stunts, including jumping cars over the 'bolt of electricity' with the Electric Tower, launching to jump a flame, riding a loop, or executing a flip. Designed for exhilarating play and exciting action, this set connects to other Hot Wheels track sets (sold separately) to expand the play world. Each set includes one Hot Wheels car. Not all Hot Wheels vehicles are compatible. Recommended for ages 3 and older.

2. SAFETY INFORMATION

No specific warnings are applicable for this product beyond general toy safety guidelines. Always supervise children during play. Keep small parts away from children under 3 years of age to prevent choking hazards.

3. WHAT'S IN THE BOX

- Hot Wheels Electric Tower Playset components
- One (1) Hot Wheels car

4. SETUP INSTRUCTIONS

Follow these steps to assemble your Hot Wheels Electric Tower Playset:

1. **Unpack Components:** Carefully remove all pieces from the packaging. Ensure all components listed in the 'What's in the Box' section are present.
2. **Connect Track Pieces:** Attach the orange track pieces to the launcher and the Electric Tower as shown in the diagrams. Ensure all connections are secure and click into place.
3. **Position the Electric Tower:** Place the Electric Tower at the desired stunt location on the track. The tower features a 'bolt of electricity' element for cars to jump over.
4. **Prepare the Launcher:** Ensure the car launcher is correctly positioned at the start of the track.

5. OPERATING INSTRUCTIONS

To operate your Hot Wheels Electric Tower Playset:

1. **Place Car:** Position a compatible Hot Wheels car onto the launcher.
2. **Launch Car:** Use the kid-activated launcher to propel the car forward along the track.
3. **Perform Stunts:** Observe as the car navigates the track, jumping over the Electric Tower's 'bolt of electricity' or other stunt elements you may have connected.
4. **Connect to Other Sets:** This playset is designed to connect with other Hot Wheels track sets (sold separately) to create an expanded and customized track world.

6. MAINTENANCE

To ensure the longevity and optimal performance of your playset:

- **Cleaning:** Wipe down track pieces and playset components with a damp cloth as needed. Avoid harsh chemicals.
- **Storage:** Store the playset in a dry, cool place away from direct sunlight when not in use. Disassemble if necessary for compact storage.
- **Inspection:** Periodically check all connections and moving parts for wear or damage. Replace any broken pieces to maintain safe operation.

7. TROUBLESHOOTING

If you encounter issues with your Hot Wheels Electric Tower Playset, consider the following:

- **Car Not Launching Effectively:** Ensure the launcher mechanism is fully reset before placing the car. Verify that the

car is placed correctly in the launcher. Some Hot Wheels vehicles may not be compatible with all launchers or stunts due to size or weight.

- **Cars Not Completing Stunts:** Check that all track pieces are securely connected and aligned. Ensure there are no obstructions on the track. The force of the launch may need to be adjusted for different stunts.
- **Track Disconnecting:** Re-secure any loose track connections. Ensure the playset is on a flat, stable surface during play.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	0.39 x 0.39 x 0.39 inches
Item Weight	3.52 ounces
Item Model Number	FTH80
Manufacturer Recommended Age	4 - 8 years
Manufacturer	Mattel
Release Date	July 2, 2018

9. WARRANTY AND SUPPORT

This product is covered by the manufacturer's standard warranty. For warranty claims, product support, or to purchase replacement parts, please contact Mattel customer service directly. Refer to the product packaging for specific contact information or visit the official Hot Wheels website.
