## MASUNN IL95BL

# MASUNN Ipipoo IL95BL Wireless Bluetooth 4.2 Sports Earphones User Manual

MODEL: IL95BL

## 1. Introduction

---

Thank you for choosing the MASUNN Ipipoo IL95BL Wireless Bluetooth 4.2 Sports Earphones. This manual provides detailed instructions for setting up, operating, and maintaining your earphones to ensure optimal performance and longevity. Please read this manual thoroughly before use and retain it for future reference.

## 2. Package Contents

---

Please check the package for the following items:

- 1 x Ipipoo IL95BL Wireless Bluetooth 4.2 Sports Stereo Earphones
- 1 x USB Charging Cable
- 1 x Ear Clip
- 2 x Over-ear Hooks
- 1 x User Manual (English)

## 3. Product Overview

---

The Ipipoo IL95BL earphones are designed for wireless audio enjoyment, featuring Bluetooth 4.2 connectivity, a built-in microphone, and controls for music and calls. The ergonomic design includes over-ear hooks for a secure fit during sports activities.

**Figure 1:** MASUNN Ipipoo IL95BL Wireless Bluetooth Earphones. This image displays the black variant of the earphones, highlighting the in-ear buds, the inline control panel with buttons, and the connecting cable designed to rest around the neck. The 'ipipoo' brand logo is visible on the earbud housing.

## 4. Setup

### 4.1 Charging the Earphones

Before first use, fully charge the earphones. Connect the supplied USB charging cable to the micro USB port on the earphone's control unit and the other end to a USB power source (e.g., computer, wall adapter).

The charging indicator light will illuminate during charging and turn off or change color when fully charged. Charging time is approximately 1.5 hours.

## 4.2 Bluetooth Pairing

1. Ensure the earphones are turned off.
2. Press and hold the multi-function button (usually the center button on the inline control) for approximately 5-7 seconds until the indicator light flashes red and blue alternately, indicating pairing mode.
3. On your Bluetooth-enabled device (smartphone, tablet, laptop), go to the Bluetooth settings and enable Bluetooth.
4. Search for available devices. The earphones will appear as "IL95BL" or similar.
5. Select "IL95BL" to connect. Once successfully paired, the indicator light will flash blue slowly, and you may hear an audible confirmation.

The earphones support Bluetooth v4.2 and have an effective transmission distance of up to 10 meters (33 feet) in an open environment. They also support A2DP, AVRCP, HSP, HFP, and CVC profiles.

## 4.3 Connecting Two Phones Simultaneously

The IL95BL earphones can connect to two Bluetooth devices at the same time:

1. Pair the earphones with the first phone as described in Section 4.2.
2. Disable Bluetooth on the first phone.
3. Put the earphones back into pairing mode and pair them with the second phone.
4. Once paired with the second phone, re-enable Bluetooth on the first phone. The earphones should automatically connect to both devices.

# 5. Operating Instructions

---

## 5.1 Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds until the blue indicator light flashes.
- **Power Off:** Press and hold the multi-function button for approximately 3-5 seconds until the red indicator light flashes and then turns off.

## 5.2 Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press and hold the "+" (volume up) button.
- **Previous Track:** Press and hold the "-" (volume down) button.
- **Volume Up:** Short press the "+" button.
- **Volume Down:** Short press the "-" button.

## 5.3 Call Handling

The earphones feature a high-definition microphone with CVC 6.0 intelligent noise reduction for clear calls.

- **Answer Call:** Press the multi-function button once when a call comes in.
- **End Call:** Press the multi-function button once during a call.
- **Reject Call:** Press and hold the multi-function button for approximately 2 seconds when a call comes in.
- **Redial Last Number:** Double-press the multi-function button.

## 6. Maintenance

---

- Keep the earphones dry. Do not expose them to extreme temperatures, humidity, or corrosive materials.
- Clean the earphones and ear tips regularly with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Store the earphones in a clean, dry place when not in use.
- Avoid dropping or subjecting the earphones to strong impacts.
- Do not attempt to disassemble or modify the earphones, as this will void the warranty and may cause damage.

## 7. Troubleshooting

---

Problem	Possible Solution
Earphones do not power on.	Ensure the earphones are fully charged. Connect to a power source and try again.
Cannot pair with device.	Ensure earphones are in pairing mode (red and blue flashing light). Turn off and on your device's Bluetooth. Move earphones closer to the device. Clear previous Bluetooth connections on your device.
No sound or poor sound quality.	Check volume levels on both earphones and connected device. Ensure earphones are properly paired. Try re-pairing. Check for obstructions between earphones and device.
Intermittent connection.	Ensure you are within the 10-meter operating range. Avoid obstacles between the earphones and the device. Reduce interference from other wireless devices.
Microphone not working.	Ensure the earphones are properly connected. Check microphone settings on your connected device.
