JBL JBLGO2BLK

JBL GO2 Mini Portable Wireless Bluetooth Speaker User Manual

Model: JBLGO2BLK

INTRODUCTION

The JBL GO2 Mini is a full-featured waterproof portable Bluetooth speaker designed to take with you everywhere. Stream music wirelessly via Bluetooth for up to 5 hours of continuous JBL quality sound. Its new IPX7 waterproof design allows music lovers to bring their speaker poolside or to the beach without worry. The GO2 also offers a crystal clear speakerphone experience with its built-in noise-cancelling speakerphone.

Buttons and Indicators:

- **Power Button ():** Press to turn the speaker on or off.
- **Bluetooth Button ():** Press to enter Bluetooth pairing mode.
- **Volume Down Button (-):** Press to decrease the volume.
- **Volume Up Button (+):** Press to increase the volume.
- **Multifunction Button (▶):**
 - Press once to Play/Pause music.
 - Press twice to skip to the next track.
- **LED Indicator:** Shows power status, charging status, and Bluetooth connection status.

Ports:

- **Audio Input (3.5mm):** Connect an external audio device using a 3.5mm audio cable.
- **Micro USB Port:** For charging the speaker.
- **Microphone:** For hands-free calling.

SETUP

1. Charging the Speaker

1. Open the waterproof flap on the side of the speaker.
2. Connect the Micro USB cable to the speaker's Micro USB port and the other end to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show charging status. A full charge takes approximately 2.5 hours.
4. Once fully charged, disconnect the cable and ensure the waterproof flap is securely closed to maintain water resistance.

2. Powering On/Off

- To power on, press the **Power Button**. The LED indicator will light up.
- To power off, press and hold the **Power Button** until the LED indicator turns off.

3. Bluetooth Pairing

1. Turn on the JBL GO2 speaker. The LED indicator will flash blue, indicating it's in pairing mode.
2. On your Bluetooth-enabled device (smartphone, tablet, etc.), go to the Bluetooth settings.
3. Select "JBL GO2" from the list of available devices.
4. Once connected, the LED indicator will turn solid blue, and you will hear a confirmation sound.
5. If prompted for a password, enter "0000".

The speaker will automatically reconnect to the last paired device when powered on, if the device is within range and Bluetooth is enabled.

OPERATING INSTRUCTIONS

Music Playback

- **Play/Pause:** Press the **► Multifunction Button** once.
- **Next Track:** Press the **► Multifunction Button** twice quickly.
- **Volume Control:** Use the **+** (Volume Up) and **-** (Volume Down) buttons on the speaker, or control volume from your connected device.

Hands-Free Calling

When connected to your smartphone via Bluetooth, the JBL GO2 can be used as a speakerphone.

- **Answer Call:** Press the **► Multifunction Button** once.
- **End Call:** Press the **► Multifunction Button** once during a call.
- **Reject Call:** Press and hold the **► Multifunction Button** for 2 seconds.
- **Switch Between Calls:** If a second call comes in, press the **► Multifunction Button** once to answer the new call and put the current call on hold. Press again to switch back.
- **Reject Second Call:** Press and hold the **► Multifunction Button** for 2 seconds to reject the incoming second call.

Auto Power Off

The JBL GO2 will automatically power off after 15 minutes of inactivity (no audio input or button presses) to conserve battery. To

reactivate, press the Power Button.

MAINTENANCE

Waterproof Information (IPX7)

The JBL GO2 is IPX7 waterproof. This means it can be immersed in water up to 1 meter (3 feet) for up to 30 minutes. Ensure the waterproof flap covering the charging port and audio input is securely closed before exposing the speaker to water.

Image: The JBL GO2 Mini speaker partially submerged in water, demonstrating its waterproof capability.

Important: Do not charge the speaker if it is wet. Always ensure the ports are completely dry before connecting the charging cable.

Battery Care

- Avoid exposing the speaker to extremely high temperatures, as this can degrade battery performance.
- Store the speaker in a cool, dry, and well-ventilated place when not in use for extended periods.
- Repeated charging and discharging, even when done correctly, will gradually shorten the usable time of the battery.

Cleaning

Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.

TROUBLESHOOTING

Problem	Possible Solution
Speaker does not turn on.	Ensure the battery is charged. Connect the speaker to a power source using the Micro USB cable.
Cannot pair via Bluetooth.	◦ Ensure the speaker is in pairing mode (flashing blue LED). ◦ Make sure Bluetooth is enabled on your device. ◦ Move the speaker closer to your device. ◦ Forget "JBL GO2" from your device's Bluetooth list and try pairing again. ◦ Turn off other Bluetooth devices nearby to avoid interference.
No sound or low volume.	◦ Increase the volume on both the speaker and your connected device. ◦ Ensure the speaker is properly paired and connected to your device. ◦ If using the 3.5mm audio input, ensure the cable is fully inserted and functional.

Problem	Possible Solution
Sound distortion.	- Lower the volume on both the speaker and your connected device. - Move the speaker closer to your device to improve Bluetooth signal. - Ensure there are no obstructions between the speaker and your device.

If you encounter issues not listed here, please refer to the official JBL support website or contact customer service.
