> ACHIM Cordless Privacy Jute Window Roller Shade - Model CPS686NT01 - Installation and Operation Manual

## ACHIM CPS686NT01

# ACHIM Cordless Privacy Jute Window Roller Shade

Model: CPS686NT01

Brand: ACHIM

## INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your ACHIM Cordless Privacy Jute Window Roller Shade. The shade is designed to offer privacy and light filtering using a natural jute fiber woven material. Please read these instructions carefully before proceeding with installation or use.

## SETUP AND INSTALLATION

The Cordless Privacy Jute Window Roller Shade is designed for easy installation, accommodating both inside and outside window frame mounting. All necessary hardware and an installation guide are included with your purchase.

### Included Components:

- One Window Shade
- Installation Hardware (brackets, screws)
- Installation Guide (this document)

### Installation Steps:

1. **Prepare the Window:** Ensure the window frame is clean and clear of any obstructions. Determine whether you will perform an inside mount (within the window frame) or an outside mount (on the wall or trim outside the window frame).
2. **Position the Brackets:** Hold the shade in the desired mounting position and mark the locations for the hidden mounting brackets. Ensure the brackets are level and spaced correctly to support the

shade evenly.

3. **Secure the Brackets:** Using appropriate tools, attach the mounting brackets to the marked positions with the provided screws. Ensure they are firmly secured.
4. **Install the Shade:** Carefully place the roller shade into the installed brackets. Follow the specific instructions in the included installation guide for securing the shade within the brackets.

**Easy Installation**  
Includes all necessary hardware and  
hidden mounting brackets

## OPERATING INSTRUCTIONS

Your ACHIM Cordless Privacy Jute Window Roller Shade features a manual, cordless operation system for ease of use and child/pet safety.

### Raising and Lowering the Shade:

- **To Lower:** Gently pull the bottom rail of the shade downwards to the desired length. The shade will hold its position automatically.
- **To Raise:** Gently pull the bottom rail of the shade downwards approximately 1-2 inches and then release it. The shade will retract upwards. Guide the shade to your desired height. If the shade does not retract, repeat the pull-and-release motion.

## MAINTENANCE

To ensure the longevity and appearance of your roller shade, follow these simple maintenance guidelines:

- **Cleaning:** Spot clean only. Use a soft, damp cloth with mild soap and water to gently clean any soiled areas. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the shade with a soft brush or vacuum with a brush attachment to prevent dust buildup.
- **Mechanism Care:** The cordless mechanism is designed for durability. Avoid forcing the shade up or down. If the mechanism feels stiff, ensure the shade is not obstructed.

## TROUBLESHOOTING

If you encounter issues with your roller shade, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Shade does not roll up or down smoothly.	Mechanism is stuck or spring tension is uneven.	Gently pull the shade all the way down, then quickly release it to reset the spring mechanism. Repeat this action a few times if necessary. Ensure no part of the shade is catching on the window frame or brackets.
Shade rolls up crookedly.	Uneven tension or fabric alignment.	Lower the shade completely and check if the fabric is aligned correctly on the roller. If not, gently adjust the fabric by hand. If the issue persists, the spring mechanism may need to be re-tensioned (refer to the detailed installation guide for specific instructions, if provided).
Shade falls out of brackets.	Improper installation or loose brackets.	Ensure brackets are securely fastened and the shade is correctly seated in the brackets. Re-install if necessary, following the setup instructions carefully.

## SPECIFICATIONS

Detailed product specifications for the ACHIM Cordless Privacy Jute Window Roller Shade (Model: CPS686NT01):

**Material:** 70% Paper, 30% Polyester

**Product Dimensions:** 72"L x 68"W
