Farberware 5216440

Farberware Professional Plastic Measuring Spoons

Model: 5216440

INTRODUCTION

This manual provides instructions for the proper use and care of your Farberware Professional 5-Piece Plastic Measuring Spoon Set. Designed for accuracy and convenience, these spoons are essential tools for cooking and baking.

SETUP

1. **Unpack:** Carefully remove the measuring spoons from their packaging.
2. **Initial Cleaning:** Before first use, wash all spoons with warm, soapy water. Rinse thoroughly and dry completely.
3. **Assembly:** The spoons are typically attached to a removable plastic ring for organized storage. You may keep them on the ring or detach them as preferred.

OPERATING INSTRUCTIONS

This set includes the following measurements:

- 1/4 teaspoon
- 1/2 teaspoon
- 1 teaspoon
- 1/2 tablespoon
- 1 tablespoon

Measuring Dry Ingredients

1. Select the appropriate spoon size for your recipe.
2. Scoop the dry ingredient (e.g., flour, sugar, spices) into the spoon.

3. Use a straight edge (like a knife or the back of another spoon) to level off the ingredient, ensuring it is flush with the top of the spoon for an accurate measure.

Measuring Wet Ingredients

1. Select the appropriate spoon size.
2. Carefully pour the liquid ingredient into the spoon until it reaches the rim. Avoid overfilling to prevent spills and ensure accuracy.

MAINTENANCE AND CARE

Proper care will extend the life of your measuring spoons.

- **Cleaning:** These measuring spoons are dishwasher safe. For best results, place them on the top rack of your dishwasher. Hand washing with warm, soapy water is also suitable.
- **Drying:** Ensure spoons are completely dry before storing to prevent water spots or residue buildup.
- **Storage:** The spoons nest together and can be kept on their plastic ring for compact storage in a drawer or hung on a hook.

ring, ready for storage.

TROUBLESHOOTING

- **Measurements fading:** While designed for durability, prolonged exposure to harsh detergents or extreme temperatures may affect printed markings over time. Hand washing can help preserve them.
- **Spoons not nesting properly:** Ensure all spoons are correctly oriented and aligned before attempting to nest them. The largest spoon should be at the bottom, with smaller spoons fitting inside.

SPECIFICATIONS

Feature	Detail
Brand	Farberware
Model Number	5216440
Material	Plastic
Set Includes	1/4 tsp, 1/2 tsp, 1 tsp, 1/2 tbsp, 1 tbsp
Product Dimensions	6.69 x 1.97 x 1.38 inches
Item Weight	1.51 ounces
Dishwasher Safe	Yes
