# Astralpool Foot Bath for Pool Access - Model 21255CL07 Instruction Manual

## 1. INTRODUCTION

This manual provides essential instructions for the safe and effective use, installation, and maintenance of your Astralpool Foot Bath for Pool Access, Model 21255CL07. Please read this manual thoroughly before installation and use, and retain it for future reference.

The Astralpool Foot Bath is designed to provide a hygienic solution for rinsing feet before entering a swimming pool, helping to maintain water cleanliness and reduce the introduction of debris.

## 2. SAFETY INFORMATION

**WARNING: Failure to follow these safety instructions could result in injury or damage to the product.**

- Always place the foot bath on a stable, level surface to prevent tipping.
- Ensure the area around the foot bath is clear to prevent tripping hazards.
- Regularly inspect the foot bath for cracks or damage. Do not use if damaged.
- Keep out of reach of small children when not supervised, as it may pose a drowning risk if filled with water.
- Do not use harsh chemicals or abrasive cleaners, as these can damage the material.
- Empty and clean the foot bath regularly to prevent bacterial growth.

## 4. SETUP

---

1. **Unpack:** Carefully remove the foot bath from its packaging.
2. **Placement:** Position the foot bath on a flat, stable surface directly adjacent to the pool steps or entrance. Ensure it is easily accessible and does not obstruct pathways.
3. **Fill with Water:** Fill the foot bath with clean tap water to a level that allows for effective foot rinsing, typically up to the textured surface. Do not overfill.
4. **Stability Check:** Gently push on the edges of the foot bath to ensure it is stable and does not rock or tip.

## 5. OPERATING INSTRUCTIONS

---

Using the Astralpool Foot Bath is straightforward:

1. Before entering the pool, step into the foot bath with both feet.
2. Swish your feet gently in the water to rinse off dirt, grass, and other debris. The textured bottom provides a mild scrubbing action.
3. Step out of the foot bath and proceed into the pool.

For optimal hygiene, encourage all pool users to utilize the foot bath before entering the pool.

## 6. MAINTENANCE

---

Regular maintenance ensures the longevity and hygiene of your foot bath.

- **Daily Cleaning:** Empty the foot bath daily or more frequently if heavily used. Rinse thoroughly with clean water.
- **Weekly Cleaning:** At least once a week, clean the foot bath with a mild soap solution and a soft brush. Rinse thoroughly to remove all soap residue.
- **Water Replacement:** Always use fresh, clean water. Do not reuse water from previous days.

- **Inspection:** Periodically check the foot bath for any signs of wear, cracks, or damage.
- **Storage:** During off-season or extended periods of non-use, empty, clean, and dry the foot bath completely. Store it in a cool, dry place away from direct sunlight and extreme temperatures.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Foot bath unstable/wobbles.	Uneven surface.	Relocate to a flat, stable surface.
Water appears dirty quickly.	High usage; excessive debris.	Empty and refill with fresh water more frequently. Encourage users to pre-rinse feet if very dirty.
Unpleasant odor.	Bacterial growth; infrequent cleaning.	Empty, clean thoroughly with mild soap, rinse well, and refill with fresh water. Increase cleaning frequency.
