# CLE Cosmetics CCC Cream SPF 50 Instruction Manual

Model: CCC Cream

## 1. PRODUCT OVERVIEW

The CLE Cosmetics CCC Cream is a multi-functional beauty product designed to serve as a face primer, lightweight makeup base, and hydrating cream foundation. It is a hybrid of CC (Color Control) and BB (Blemish Balm) creams, offering light to medium coverage with SPF 50 sun protection.

## Key Features:

- **Multi-functional:** Acts as a primer, makeup base, and hydrating foundation.
- **SPF 50:** Provides broad-spectrum sun protection.
- **Color Correcting:** Utilizes Micro Capsules Technology to adjust to your skin tone upon blending.
- **Coverage:** Offers buildable light to medium coverage.
- **Finish:** Delivers a satiny, flawless finish without a dry or cakey appearance.
- **Lightweight:** Comfortable for all-day wear.
- **Skin-loving Ingredients:** Formulated with Niacinamide, Blueberry Fruit Extract, and Hydrolyzed Hyaluronic Acid for moisturizing and brightening benefits.
- **Conscious Formulation:** Cruelty-free, vegan, paraben-free, and free from synthetic fragrances.

## 2. USAGE INSTRUCTIONS

### 2.1. Basic Application

1. Apply a pea-sized amount of CCC Cream to cleansed and prepped skin.
2. Using your fingertips, blend the cream from the center of your face outward. The warmth from your fingers helps activate the Micro Capsules for optimal color adjustment.
3. Allow 15 minutes for the product to fully adapt to your skin tone and provide sun protection before sun exposure.

### 2.2. Achieving Different Finishes

- **Matte Finish:** Apply with a buffering brush and set with powder and/or a matte setting spray.
- **Satin Finish:** Apply with your fingertips. For a more sheer coverage, mix a drop of skincare oil with the cream foundation before application.
- **Glass Skin Finish:** Use a damp makeup sponge to apply. This method enhances a dewy, hydrated look.

Image 4: A visual comparison of skin before and after applying the CCC Cream, demonstrating its coverage and natural finish.

### 3. SHADE MATCHING

The CLE Cosmetics CCC Cream features Micro Capsules Technology, which allows the white cream to adapt and blend seamlessly with your natural skin tone upon application. This ensures a personalized match for a natural look.

Recommended Uses	Hydrating, Face makeup, Sun Protection
Material Type Free	Paraben Free
Package Dimensions	5.08 x 1.42 x 1.34 inches; 1 ounces
UPC	190488000248

## 7. TROUBLESHOOTING

- Product appears white:** The cream is designed to appear white initially and then adapt to your skin tone. Ensure thorough blending with fingertips to activate the color-changing micro capsules.
- Uneven coverage:** Apply a pea-sized amount and blend evenly. For areas requiring more coverage, apply a second thin layer and blend.
- Dry or cakey appearance:** Ensure your skin is well-hydrated before application. For a dewy finish, use a damp makeup sponge. Mixing with a drop of skincare oil can also help.
- Skin irritation:** Discontinue use if irritation or rash occurs. Refer to the Safety Information section and consult a healthcare professional if symptoms persist.
