InvisiClean IC-100

InvisiClean IC-100 Portable Personal Air Purifier User Manual

Brand: InvisiClean | **Model:** IC-100

1. INTRODUCTION

The InvisiClean personal mini air purifier is a compact, portable ionizer designed to be worn around the neck with the included strap. This device is suitable for use while traveling in various environments such as cars, trains, buses, and planes, as well as in personal spaces like homes, schools, or workplaces.

Utilizing ionic technology, the mini air purifier aims to improve the quality of air in your immediate vicinity by reducing airborne pollutants. It operates by emitting negative ions that attach to particles in the air, causing them to settle out of your breathing zone. The unit operates silently without fans or moving parts. Please note that this device does not remove odors.

2. IMPORTANT SAFETY INFORMATION

Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

Always ensure the device is handled with care. Avoid exposing the unit to extreme temperatures or moisture. Keep out of reach of children.

3. PRODUCT OVERVIEW

The InvisiClean IC-100 is a compact and lightweight personal air purifier designed for portability and ease of use. It features a sleek design and is equipped with ionic technology to enhance air quality in your personal space.

3.1 Key Features

- **Ionic Technology:** Emits negative ions to reduce airborne pollutants.
- **Portable Design:** Compact and lightweight, suitable for wearing around the neck or clipping to clothing.

- **Rechargeable Battery:** Provides extended operation on a single charge.
- **Silent Operation:** Functions without audible noise, fans, or moving parts.
- **Button Control:** Simple interface for power management.

3.2 Components

The InvisiClean IC-100 typically includes:

- InvisiClean IC-100 Personal Air Purifier Unit
- Neck Strap/Lanyard
- USB Charging Cable

Figure 5: Image displaying the dimensions of the InvisiClean IC-100, indicating its compact size for personal use.

4. SETUP

4.1 Initial Charge

Before first use, fully charge the InvisiClean IC-100. Connect the provided USB charging cable to the unit's charging port and to a compatible USB power source. The blue indicator light will illuminate during charging. Once fully charged, the blue light will turn off.

4.2 Wearing the Device

Attach the included neck strap/lanyard to the designated loops on the device. Adjust the strap to a comfortable length, ensuring the unit is positioned near your breathing zone for optimal performance. Alternatively, use the integrated belt clip to secure the device to your clothing.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

To power on the InvisiClean IC-100, locate the button control on the side of the unit and slide it to the "ION" position. A green indicator light will blink to confirm the device is active and emitting negative ions. To power off, slide the button control to the "OFF" position.

5.2 Operation

The InvisiClean IC-100 operates silently, without any moving parts or fan noise. It continuously releases negative ions into your personal breathing space to help reduce airborne particles. For best results, ensure the device is positioned close to your face.

6. MAINTENANCE

6.1 Cleaning

Periodically wipe the exterior of the device with a soft, dry cloth to remove dust or debris. Do not use liquid cleaners or abrasive materials, as these may damage the unit. Ensure the ion emitter brush at the top is kept clear of obstructions.

Note: This device uses ionic technology and does not contain replaceable filters.

6.2 Charging

Recharge the device when the battery is low. A full charge typically takes approximately 2 hours and provides extended usage time. The blue indicator light will show charging status.

7. TROUBLESHOOTING

If the device does not power on or the indicator lights do not function as expected, ensure the unit is fully charged. If issues persist, please contact InvisiClean customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	InvisiClean
Model Number	IC-100
Product Dimensions	1.8 x 0.95 x 2.7 inches (4.57 x 2.41 x 6.86 cm)
Weight	1.4 ounces (39.69 grams)
Color	White
Controller Type	Button Control

Power Source

Rechargeable Battery

9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation included with your product or visit the official InvisiClean website. Contact information for customer service can typically be found on the product packaging or the manufacturer's website.
