# IKEA TROFAST Storage Box Instruction Manual

Model: TROFAST Storage Box

## 1. PRODUCT OVERVIEW

The IKEA TROFAST Storage Box is a versatile and durable solution designed for organizing various items. Made from high-quality polypropylene, this rectangular white box features a lift-off lid for easy access and is water-resistant. It is ideal for storing arts and crafts supplies, toys, and other small items, helping to keep your space tidy. The boxes are designed to be stackable and can be used independently or integrated into the IKEA TROFAST storage system.

## 2. FEATURES

- **Spacious Storage:** Each box holds up to 11,780 cubic centimeters, suitable for various items like toys, craft supplies, or documents.
- **Modern Design:** Features a sleek, white, rectangular shape that complements various interior styles.
- **Easy Access:** Equipped with a convenient lift-off lid for simple and quick access to stored contents.
- **Stackable and Versatile:** Designed to be stacked with other TROFAST products for efficient space utilization. Can also be used with a TROFAST frame (sold separately) for integrated storage solutions.
- **Durable Construction:** Made from high-quality polypropylene plastic, ensuring lasting durability and water resistance.

## 3. SETUP

The IKEA TROFAST Storage Box requires minimal setup.

1. **Unpack:** Remove the storage boxes and lids from their packaging.

2. **Placement:** Place the boxes in your desired location. They can be stacked directly on top of each other or inserted into a compatible IKEA TROFAST frame (frame sold separately).
3. **Lid Application:** Place the lift-off lid securely on top of the box to protect contents from dust and keep them out of sight.

## 4. OPERATING INSTRUCTIONS

---

Using your TROFAST Storage Box is straightforward:

- **Storing Items:** Lift the lid to place items inside the box. Ensure items fit comfortably without overfilling to allow the lid to close properly.
- **Accessing Items:** Simply lift the lid to retrieve contents.
- **Stacking:** For efficient use of space, stack multiple TROFAST boxes on top of each other. Ensure the bottom box is stable before stacking additional boxes.
- **Using with TROFAST Frame:** If you have a TROFAST frame, slide the boxes into the designated runners. This allows for easy pull-out access.

## 5. MAINTENANCE

---

To ensure the longevity and cleanliness of your TROFAST Storage Box:

- **Cleaning:** Wipe the box and lid with a damp cloth or a mild cleaning wipe. Avoid abrasive cleaners that may scratch the surface.
- **Drying:** Allow the box to air dry completely before placing items inside or stacking.
- **Storage:** When not in use, store the boxes in a cool, dry place.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your TROFAST Storage Box, refer to the following common solutions:

- **Box does not fit in frame:** Ensure you are using a genuine IKEA TROFAST frame and that the box size is compatible with the frame's runners. There are different sizes of TROFAST boxes.
- **Lid does not close properly:** Check if the box is overfilled or if any items are obstructing the lid's closure.
- **Cracking or breaking:** While designed for durability, excessive force or impact can cause damage. Avoid dropping heavy objects into or onto the box.
