

## Puro IPC747CICONBLK

# Puro Icon Silicone Case User Manual

MODEL: IPC747CICONBLK

## Product Overview

The Puro Icon Silicone Case is designed to provide protection and style for your iPhone 6, 6s, 7, or 8. Crafted from soft-touch silicone, this case offers a comfortable grip and helps safeguard your device from everyday bumps and scratches. Its precise design ensures full access to all phone controls and features, including compatibility with wireless charging.

## Setup and Installation

Installing the Puro Icon Silicone Case is a simple process:

- 1. Clean your iPhone:** Before installing the case, ensure your iPhone's back and sides are clean and free of dust or debris. Use a soft, dry cloth if necessary.
- 2. Align the case:** Hold the case with the camera cutout aligned with your iPhone's camera.
- 3. Insert the phone:** Gently push your iPhone into the case, starting from the top (camera end). Ensure all corners of the phone are securely seated within the case.
- 4. Check fit:** Verify that the case fits snugly around your iPhone and that all buttons and ports are accessible and aligned with the case's cutouts.

## Operating the Case

The Puro Icon Silicone Case is designed for seamless integration with your iPhone, enhancing its usability and protection:

- **Protection:** The silicone material provides a protective layer against minor impacts, scratches, and daily wear and tear.
- **Button Access:** The case features precisely molded buttons that maintain the tactile feel and responsiveness of your iPhone's original buttons.

- **Port Access:** Accurate cutouts ensure unobstructed access to the charging port, speaker, and microphone.
- **Wireless Charging:** The thin design of the case allows for full compatibility with wireless charging pads, eliminating the need to remove the case for charging.
- **Enhanced Grip:** The soft-touch silicone exterior provides a comfortable and secure grip, reducing the likelihood of accidental drops.

## Maintenance and Care

To ensure the longevity and appearance of your Puro Icon Silicone Case, follow these simple care instructions:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, damp cloth and then drying thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the silicone material and its finish.
- **Storage:** When not in use, store the case in a clean, dry place away from direct sunlight and extreme temperatures.
- **UV Resistance:** The case features enhanced UV resistance to help prevent yellowing over time, but prolonged exposure to direct sunlight should still be minimized.

## Troubleshooting

Most issues with a phone case are minor. Here are some common concerns and their solutions:

- **Case feels loose:** Ensure your iPhone model is compatible with the case (iPhone 6/6s/7/8). Re-install the case, making sure all corners are fully seated.
- **Buttons are stiff:** Check for any debris caught between the phone and the case buttons. Remove the phone, clean both surfaces, and re-install. The case buttons are designed to be responsive.
- **Discoloration/Stains:** Refer to the "Maintenance and Care" section for cleaning instructions. Some stubborn dyes from clothing or other materials may be difficult to remove from silicone.

## Specifications

<b>Brand</b>	Puro
<b>Manufacturer</b>	KOMQI
<b>Model</b>	IPC747CICONBLK
<b>Part Number</b>	IPC747CICONBLK
