### iPlay, iLearn Y5-I4KX-M0BL

# iPlay, iLearn 3-in-1 Baby Walker and Activity Center Instruction Manual

Model: Y5-I4KX-M0BL

## INTRODUCTION

Thank you for choosing the iPlay, iLearn 3-in-1 Baby Walker and Activity Center. This versatile product is designed to support your child's development through various stages, functioning as an activity table, a sit-to-stand walker, and a drawing board. Please read this manual carefully before assembly and use to ensure safe and proper operation.

## SAFETY INFORMATION

- Always supervise your child when using this product.
- Ensure all parts are securely assembled before each use.
- Do not use on uneven surfaces or near stairs.
- Keep small parts away from children under 3 years old to prevent choking hazards.
- Batteries should be installed and replaced by an adult. Do not mix old and new batteries or different types of batteries.
- This product is intended for children aged 9 months to 6 years.

## COMPONENTS

The iPlay, iLearn 3-in-1 Baby Walker and Activity Center includes the following main components:

- Main Activity Panel (with steering wheel, phone, beads, etc.)
- Two Side Support Legs
- Drawing Board (integrated into the back of the activity panel)

- Drawing Pens and Stamps

## **SETUP AND ASSEMBLY**

### **1. Battery Installation**

1. Locate the battery compartment on the main activity panel.
2. Using a screwdriver, open the battery compartment cover.
3. Insert 3 AA batteries, ensuring correct polarity (+/-).
4. Replace the cover and secure with the screw.

### **2. Assembling the Walker Mode**

1. Attach the two side support legs to the main activity panel. Ensure they click securely into place.
2. Verify that the triangular structure is stable.

### **3. Converting to Activity Table Mode**

1. Gently detach the side support legs from their walker configuration.
2. Re-attach the legs to the designated slots on the main activity panel to form a stable table base.

### **4. Converting to Drawing Board Mode**

1. In activity table mode, the drawing board is accessible on the reverse side of the main panel.
2. Ensure the table is stable for drawing activities.

## OPERATING INSTRUCTIONS

### Activity Panel Features

The main activity panel offers various interactive elements:

- **Mode Switch:** Located on the top right, this switch changes between different sound and music modes.
- **Rolling Beads:** Interactive beads for tactile stimulation.
- **Happy Town:** A central interactive area with lights and sounds.
- **Small Mobile Phone:** A detachable toy phone with numbers and sounds.
- **Power/Volume Control:** Adjust the sound level or turn the unit on/off.
- **Steering Wheel:** Rotates and activates sounds.
- **Speed Handle:** Adjusts the resistance of the walker wheels (see 'Adjustable Speed Control' below).
- **Image Page:** Flippable pages with images and corresponding sounds.

# A Variety of Functions

Image: Labeled diagram of the activity panel's interactive components.

## Using the Walker Mode (10-18 Months)

The walker mode is designed to assist children in taking their first steps. The ergonomic handle provides a comfortable grip.

- **Adjustable Speed Control:** Use the speed handle to increase or decrease the resistance of the wheels. This helps prevent the walker from moving too quickly for new walkers, promoting safer steps.
- **Stable Structure:** The triangular design and low center of gravity enhance stability, reducing the risk of tipping.
- **Prevents Bow Legs:** The 14-inch width between the wheels is designed to encourage a natural walking posture, helping to prevent bow-legged development.

# Why Choose Our Walker

## Stable Structure

## Low Center Gravity

## Adjustable Speed Control

## Ergonomic Design

# Prevents Bow Legs

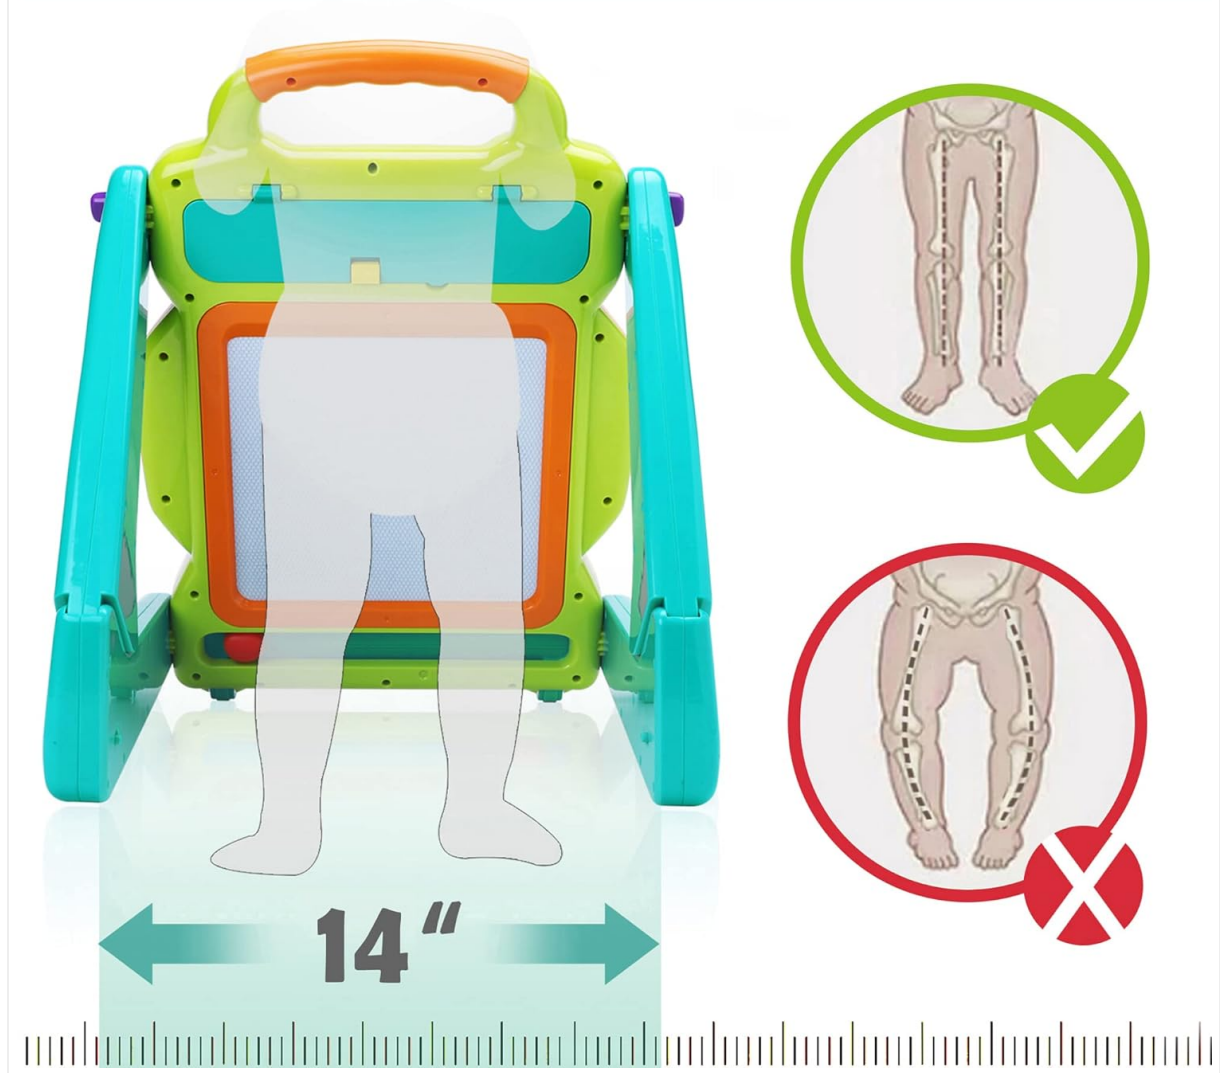

Image: Illustration of the walker's design to promote healthy leg development.

## Using the Drawing Board Mode (18-36 Months)

The magnetic drawing board allows children to draw, stamp, and scribble, fostering creativity.

- Use the provided drawing pens and stamps on the magnetic surface.
- To erase, slide the eraser lever at the bottom of the board.
- Pens and stamps can be stored in the designated slots on the board.

# Sketch Board for Creativity

## MAINTENANCE

- Clean the product with a damp cloth and mild soap. Do not immerse in water.
- Avoid using abrasive cleaners or solvents.
- Regularly check for loose parts or damage. Discontinue use if any damage is found.
- Store in a dry place away from direct sunlight.

## TROUBLESHOOTING

- **No Sound/Lights:** Check battery installation and replace batteries if necessary. Ensure the power/volume switch is in the 'on' position and volume is adjusted.
- **Walker Not Moving Smoothly:** Check for debris in the wheels. Ensure the speed adjustment handle is not set to maximum resistance if smooth movement is desired.
- **Parts Not Fitting:** Refer to the assembly instructions. Ensure correct orientation and apply gentle pressure until parts click into place. Do not force components.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	18 x 6 x 13 inches
Item Weight	5 ounces
Model Number	Y5-I4KX-M0BL
ASIN	B07D792CL3
Recommended Age	9 months - 6 years
Batteries Required	3 AA batteries (not included)
Material	Acrylonitrile Butadiene Styrene (ABS)
Color	Green
