2. SETUP

2.1 Unpacking

Carefully remove the storage bins from their packaging. Inspect each bin for any signs of damage. If any damage is found, please contact customer support.

2.2 Initial Cleaning

Before first use, wash the bins with mild soap and water. Rinse thoroughly and dry completely. Do not place the bins in a dishwasher, as this may cause damage.

3. OPERATING INSTRUCTIONS

These storage bins are designed for multi-purpose use across various areas of your home. Their clear design allows

for easy visibility of contents, and built-in handles facilitate effortless transport and access.

3.1 Kitchen and Pantry Organization

Utilize the bins to organize boxed foods, condiments, spices, baking supplies, dry goods, and snacks. They are suitable for use in pantries, cabinets, countertops, refrigerators, and freezers.

4. MAINTENANCE

4.1 Cleaning

To clean the bins, use mild soap and water. Wipe with a soft cloth. Do not use abrasive cleaners or scrubbers, as these can scratch the plastic. Ensure the bins are completely dry before storing items.

4.2 Dishwasher Safety

These bins are **not** dishwasher safe. High heat from dishwashers can cause the plastic to warp or melt.

5. TROUBLESHOOTING

5.1 Scratches or Minor Damage

While durable, the plastic can scratch if exposed to sharp objects or abrasive cleaning. Handle with care. Minor scratches typically do not affect functionality.

5.2 Sticking When Stacked

If bins become difficult to separate when stacked, gently twist them or apply slight pressure to the sides. Avoid excessive force to prevent cracking.
