## IKEA PLUTT

# IKEA PLUTT Self-Adhesive Hook (3-Pack) Instruction Manual

Model: PLUTT (803.471.01)

## 1. INTRODUCTION

The IKEA PLUTT self-adhesive hook provides a simple and effective solution for organizing various items in your home. This manual outlines the correct installation, usage, and maintenance procedures to ensure optimal performance and longevity of your hooks.

Each pack contains three white self-adhesive hooks, designed for easy application on clean, smooth surfaces.

## 2. INSTALLATION INSTRUCTIONS

Follow these steps for proper installation of your IKEA PLUTT self-adhesive hooks:

- Surface Preparation:** Ensure the chosen surface is clean, dry, and smooth. Surfaces such as tile or metal are recommended for best adhesion. Remove any dust, grease, or moisture before application.
- Positioning:** Carefully determine the desired location for each hook.
- Adhesive Application:** Peel off the protective backing from the self-adhesive strip on the back of the hook.
- Mounting:** Press the hook firmly against the prepared surface for at least 30 seconds to ensure strong adhesion.
- Curing Time:** Allow the adhesive to set for several hours (ideally 24 hours) before hanging items to ensure maximum bond strength.

Image 2.2: Example of installed hooks holding various personal items.

### 3. USAGE GUIDELINES

The IKEA PLUTT hooks are designed for light to medium-weight items, with a maximum weight limit of 0.5 kilograms (approximately 1.1 pounds) per hook.

- **Personalization:** The non-stick surface of the hooks allows for personalization. You can write or draw on them using colored pencils.
- **Erasability:** Markings made with colored pencils can be easily erased with a standard eraser, allowing for changes or updates.
- **Recommended Items:** Ideal for hanging keys, small accessories, lightweight bags, headphones, or other small household items.

Image 3.2: Hooks used for organizing a hat, cables, and headphones.

## 4. CARE AND MAINTENANCE

To maintain the appearance and functionality of your IKEA PLUTT hooks:

- **Cleaning:** Wipe the hooks with a damp cloth. A mild cleaning solution can be used if necessary, followed by drying with a clean cloth. Avoid abrasive cleaners.
- **Adhesive Longevity:** Avoid exposing the hooks to extreme temperatures or high humidity, which may affect the adhesive's performance over time.

## 5. IMPORTANT CONSIDERATIONS

- **Surface Damage:** Removing the self-adhesive tape may cause damage to delicate surfaces such as wallpaper or painted walls. Exercise caution when removing hooks.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 0.5 kg per hook to prevent detachment or damage to the hook or surface.
- **Adhesion:** The effectiveness of the adhesive depends on the surface quality. Ensure the surface is clean, smooth, and non-porous for optimal adhesion.

## 6. PRODUCT SPECIFICATIONS

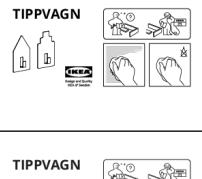

<b>Brand</b>	IKEA
<b>Model Number</b>	PLUTT (803.471.01)
<b>Color</b>	White
<b>Material</b>	Alloy Steel

<b>Finish Type</b>	Painted
<b>Mounting Type</b>	Wall Mount (Self-Adhesive)
<b>Number of Hooks</b>	3 per pack
<b>Maximum Weight Capacity</b>	0.5 Kilograms (approx. 1.1 lbs) per hook
<b>Item Dimensions (L x W x H)</b>	3.15 x 1.77 x 3.15 inches (approx. 8 x 4.5 x 8 cm)
<b>Item Weight</b>	40 Grams (approx. 1.41 ounces)
<b>Surface Recommendation</b>	Tile or Metal

## 7. WARRANTY AND SUPPORT
