2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- Always keep the desk on a stable surface.
- Use the locking casters to secure the desk in place when stationary.
- Exercise caution when adjusting the height to prevent injury.

- Do not expose the desk to liquids.
- Do not exceed the maximum weight recommendation of 33 pounds on the desktop.

3. PACKAGE CONTENTS

The Mount-It! MI-7969 Mobile Standing Desk package typically includes all necessary hardware and tools for assembly. Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

4. ASSEMBLY INSTRUCTIONS

Assembly of the Mount-It! MI-7969 Mobile Standing Desk is designed to be straightforward. All required hardware and an instruction manual are included in the packaging. It is recommended that one person performs the assembly.

1. Unpack all components and verify against the parts list in the included manual.
2. Attach the base to the main column using the provided hardware.
3. Install the four locking casters into the base. Ensure they are securely tightened.
4. Mount the desktop to the gas spring mechanism and main column.

5. Ensure all connections are secure before use.

5. OPERATING INSTRUCTIONS

5.1 Height Adjustment

The desk features a gas spring lift mechanism for smooth height adjustment, allowing you to transition between sitting and standing positions. The height can be adjusted from 29 inches to 42 inches.

- To raise the desk: Gently lift the lever located under the desktop and guide the desktop upwards to your desired height. Release the lever to lock it in place.
- To lower the desk: Gently lift the lever located under the desktop and apply downward pressure on the desktop to guide it to your desired height. Release the lever to lock it in place.

5.2 Mobility and Stability

The desk is equipped with smooth-rolling locking casters for easy movement and secure positioning.

- To move the desk: Ensure all casters are unlocked. Gently push the desk to its new location.

- To secure the desk: Once positioned, press down on the locking mechanism on each caster to prevent movement.

5.3 Tablet Notch and Storage Hook

The desktop includes a built-in tablet notch with cable holes and a storage hook on the center post for convenience.

- **Tablet Notch:** Place your tablet or phone in the integrated slot for hands-free viewing. Use the cable holes for charging or connecting accessories.
- **Storage Hook:** Utilize the hook to hang bags, cables, or other accessories, keeping your workspace tidy.

6. MAINTENANCE

To ensure the longevity and proper functioning of your Mount-It! Mobile Standing Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desktop and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspections:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Caster Care:** Keep the wheels free of debris to ensure smooth rolling.

7. TROUBLESHOOTING

If you encounter any issues with your Mount-It! Mobile Standing Desk, refer to the following common troubleshooting tips:

- **Desk Wobbles:** Ensure all assembly screws are tightened. Verify that the casters are fully locked when stationary. Ensure the desk is on a flat, stable surface.
- **Difficulty Adjusting Height:** Check that the gas spring lever is fully engaged when attempting to adjust. Ensure no objects are obstructing the lifting mechanism. Do not exceed the maximum weight capacity.
- **Casters Not Rolling Smoothly:** Check for debris (hair, dust) caught in the wheels and clean as needed. Ensure the caster locks are disengaged.

For further assistance, please contact Mount-It! customer support.
