Sphero R2-Q5

Sphero R2-Q5 App-Enabled Droid

Instruction Manual

INTRODUCTION

The Sphero R2-Q5 is an app-enabled droid designed to bring the Star Wars universe to life. This interactive toy features authentic movement, an integrated speaker for droid sounds, and functional LEDs. It can be guided using a compatible Apple iOS or Android smartphone or tablet, offering a wide range of remote-control functions. The R2-Q5 is suitable for users aged 8 and older, providing an engaging experience for learning and play.

SETUP

1. **Charge Your Droid:** Before first use, fully charge your R2-Q5. Connect the included charging cable to the droid and a USB power source. The charging indicator will show its status.
2. **Download the App:** Download the official Sphero Droids app from the Apple App Store (for iOS devices) or Google Play Store (for Android devices). Ensure your device meets the minimum system requirements for the app.
3. **Power On:** Press and hold the button on your R2-Q5 until its lights activate.
4. **Pair with Your Device:** Open the Sphero Droids app on your smartphone or tablet. Follow the on-screen instructions to connect your R2-Q5 via Bluetooth. Ensure Bluetooth is enabled on your device.

OPERATING YOUR R2-Q5

App Control

Once connected, use the Sphero Droids app to control your R2-Q5. The app provides various modes and functions:

- **Drive Mode:** Guide R2-Q5's movement using a virtual joystick or by drawing a path on your screen.
- **Patrol Mode:** Allow R2-Q5 to explore its surroundings autonomously.
- **Emotions & Sounds:** Trigger various authentic droid sounds and movements directly from the app. R2-Q5's integrated speaker will emit the sounds.
- **Authentic LEDs:** R2-Q5's signature front and rear lights are fully functional and react to its movements and interactions.

Watch With Me Feature

Engage R2-Q5 while watching Star Wars films. The droid will react to specific scenes and sounds from the saga, enhancing your viewing experience.

MAINTENANCE

Charging

To maintain optimal performance, regularly charge your R2-Q5. Use the provided USB charging cable. A full charge typically provides several hours of play time, depending on usage.

Cleaning

Wipe the exterior of your R2-Q5 with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the droid's finish. Keep the charging port free of dust and debris.

TROUBLESHOOTING

• Droid Not Connecting:

- Ensure Bluetooth is enabled on your device.
- Make sure the R2-Q5 is powered on and fully charged.
- Close and reopen the Sphero Droids app.
- Restart your smartphone/tablet and the R2-Q5.

• Movement Issues:

- R2-Q5 performs best on flat, smooth surfaces. Uneven surfaces or thick carpets may hinder movement.
- Calibrate the droid's orientation within the app if it's not moving in the intended direction.

- **App Compatibility:**
 - Ensure your Sphero Droids app is updated to the latest version.
 - Verify that your smartphone or tablet's operating system is compatible with the app. Older devices or OS versions may experience limited functionality or support.
- **No Sound/Lights:**
 - Check the app's settings to ensure sound and light effects are enabled.
 - Confirm the droid is charged.

SPECIFICATIONS

Feature	Detail
Brand	Sphero
Model Name	R2-Q5
Character	R2-Q5
Age Range	8 Years and Above
Material Type	Plastic
Item Weight	12 Ounces
Power Source	Battery
Supported Battery Types	1 Alkaline and 2 Lithium Polymer batteries (internal rechargeable)
Additional Features	Authentic Movement, Integrated Speaker, Remote Control
Color	Gray
Model Number	SG_B07D9TZHRW_US
UPC	817961020967
