## Pampers Swaddlers Size 1

# Pampers Swaddlers Diapers, Size 1 (8-14 lbs), 198 Count Instruction Manual

## INTRODUCTION

Pampers Swaddlers Diapers are designed to provide exceptional dryness and comfort for your baby. This manual offers essential information on how to use, care for, and understand the features of your Pampers Swaddlers Diapers, Size 1 (8-14 lbs).

Key features include a KeepDry Liner for superior wetness absorption, irresistible pillow softness, and up to 100% blowout and leak protection with an All-Around LeakGuard and Blowout Barrier. These diapers are dermatologist tested, hypoallergenic, and free of elemental chlorine, parabens, and latex to protect sensitive skin.

## SETUP AND OPERATING INSTRUCTIONS

Follow these typical steps for changing your baby's diaper to ensure optimal performance and comfort:

- 1. Prepare:** Gather all necessary supplies: a clean Pampers Swaddlers diaper, wipes, and any diaper cream if needed. Lay your baby on a clean, flat surface.
- 2. Remove Soiled Diaper:** Unfasten the tabs of the soiled diaper. Lift your baby's bottom by grasping their ankles and gently fold the front of the soiled diaper down. Use the front of the diaper to wipe away any loose stool.
- 3. Clean:** Use Pampers Sensitive Baby Wipes to thoroughly clean your baby's bottom from front to back. Ensure all areas are clean and dry before applying a new diaper.
- 4. Position New Diaper:** Slide a clean Pampers Swaddlers diaper under your baby's bottom, ensuring the side with the tabs is at the back. The diaper should be centered, with the top edge reaching your baby's waist.
- 5. Secure Diaper:** Bring the front of the diaper up between your baby's legs. Pull the stretchy tabs from the back of the diaper around to the front. Fasten the tabs securely onto the front panel. Ensure the fit is snug but not too tight, allowing two fingers to fit comfortably under the waistband.

6. **Adjust Leg Cuffs:** Gently run your fingers around the leg openings to ensure the ruffles (leg cuffs) are pulled out and not tucked in. This helps create a barrier against leaks and blowouts.
7. **Check Wetness Indicator:** Pampers Swaddlers feature a yellow line down the middle that turns blue when the diaper is wet, indicating it's time for a change.
8. **Dispose:** Roll up the soiled diaper, securing it with the tabs, and dispose of it properly in a diaper pail or trash can.

**SIZING GUIDE**

Selecting the correct diaper size is crucial for comfort and leak protection. Pampers Swaddlers are sized by weight. Refer to the chart below to find the ideal fit for your baby:

Size	Weight Range
Preemie	Up to 4 lbs.

Size	Weight Range
Newborn	Up to 10 lbs.
1	8–14 lbs.
2	10–22 lbs.
3	13–26 lbs.
4	15–34 lbs.
5	20–37 lbs.
6	23–44 lbs.
7	26–50 lbs.
8	30+ lbs.

## SAFETY INFORMATION

- Keep away from any source of flame. Pampers diapers, like almost any article of clothing, will burn if exposed to flame.
- To avoid risk of choking on plastic, padding, or other materials, do not allow your child to tear the diaper, or handle any loose pieces of the diaper. Discard any torn or unsealed diaper, or any loose pieces of the diaper.
- To avoid suffocation, keep all plastic bags away from babies and children.
- If you notice gel-like material on your baby's skin, don't be alarmed. This comes from the diaper padding and can be easily removed by wiping your baby's skin with a soft, dry cloth.

## INGREDIENTS

---

Pampers Swaddlers contain the following ingredients:

- Petrolatum
- Stearyl Alcohol
- Aloe Barbadensis Leaf Extract

## SPECIFICATIONS

---

Attribute	Detail
