# noblechairs Hero Gaming Chair/Office Chair Instruction Manual

MODEL: NBL-HRO-PU-BLA

## 1. Introduction

The noblechairs Hero Gaming Chair/Office Chair is designed to provide exceptional comfort and ergonomic support for extended periods of use, whether for gaming or office work. Crafted with high-quality PU Faux Leather in black, this chair combines robust construction with sophisticated design.

- **Ultimate Comfort:** Developed alongside esports professionals, the noblechairs HERO features a robust steel frame supporting cold-foam upholstery and durable PU Faux Leather for all-day comfort.
- **Ergonomic Design:** Enjoy an adjustable lumbar support and backrest, a sophisticated rocking mechanism, and flexible 4D armrests to maintain comfort during long sessions.
- **Premium Materials:** Built with breathable cold-foam upholstery and high-quality vegan PU leather, ensuring durability and comfort.
- **Perfect Fit:** Designed with an enlarged seat area and backrest, supported by a high-quality aluminum base. This chair supports users up to 330 lbs.
- **noblechairs Promise:** Committed to unparalleled build quality, classy design, and refined comfort, combining the latest ergonomics and premium materials.

## 2. Safety Information

**WARNING: Do not exceed the maximum weight limit of 330 lbs. Always assemble the chair according to the instructions provided. Be cautious when using the tilting mechanism to prevent injury.**

## 3. Package Contents

Please ensure all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Backrest
- Seat Base with Armrests attached
- Star Base
- Casters (5x)
- Gas Lift
- Gas Lift Cover
- Tilt Mechanism
- Side Covers (2x)
- Head Pillow
- Lumbar Pillow
- Assembly Tools (Allen Key, Screws)

## 4. Setup and Assembly

---

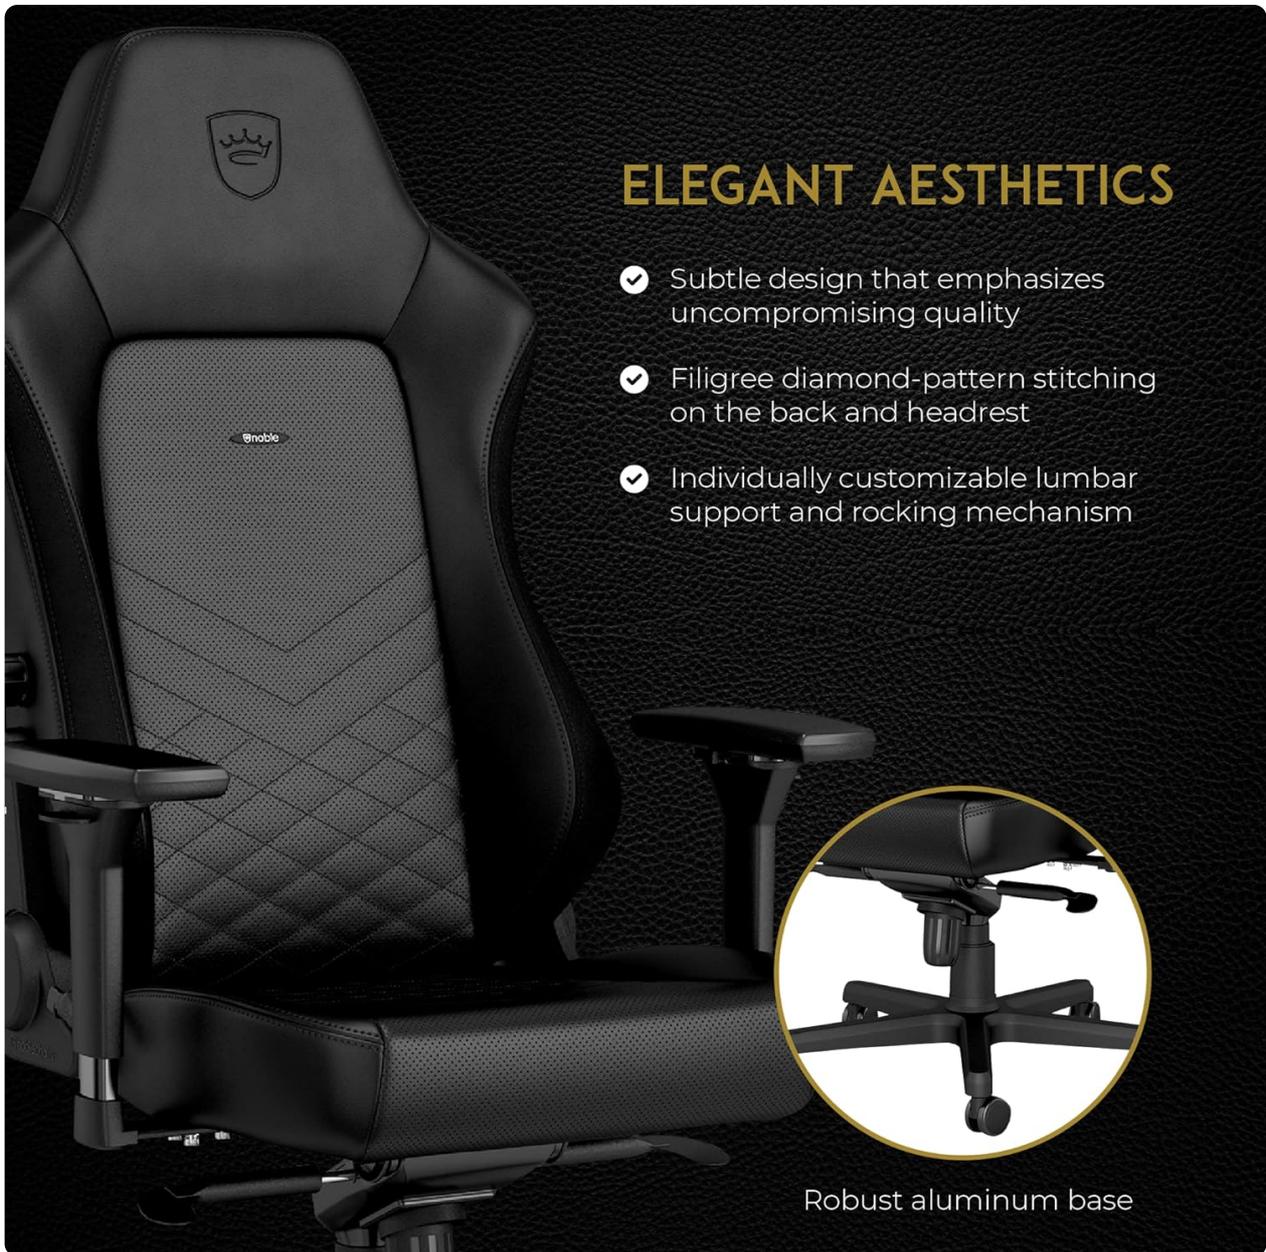

Follow these general steps to assemble your noblechairs Hero. Detailed instructions are included in your product packaging.

1. **Prepare the Base:** Place the star base on a soft surface to prevent scratches. Insert the five casters firmly into the holes at the end of each leg of the star base.
2. **Install Gas Lift:** Insert the gas lift into the central hole of the star base. Place the gas lift cover over the gas lift.
3. **Attach Tilt Mechanism:** Align the tilt mechanism with the screw holes on the underside of the seat base. Ensure the front of the mechanism faces the front of the seat. Secure with screws using the provided Allen key.
4. **Connect Seat to Base:** Carefully place the assembled seat base onto the gas lift. Apply gentle downward pressure to secure it.
5. **Attach Backrest:** Align the backrest's mounting brackets with the corresponding holes on the sides of the seat base. Secure with screws.
6. **Install Side Covers:** Attach the plastic side covers over the backrest mounting brackets to conceal the screws.
7. **Attach Pillows:** Position the head pillow and lumbar pillow as desired for additional comfort and support.

## DIMENSIONS

## 5. Operating Instructions

Familiarize yourself with the chair's adjustment mechanisms for optimal comfort.

- **Height Adjustment:** Use the lever located on the right side, beneath the seat. Pull the lever up to raise the chair; sit on the chair and pull the lever up to lower it.
- **Backrest Recline:** Use the lever on the right side of the seat, near the backrest. Pull the lever up and lean back to recline, or lean forward to bring the backrest upright. Release the lever to lock the position.
- **Rocking Mechanism:** The chair features a sophisticated rocking mechanism. Adjust the tension by turning the knob located underneath the seat, towards the front. Turn clockwise to increase tension, counter-clockwise to decrease.
- **Integrated Lumbar Support:** Adjust the lumbar support by turning the knob on the right side of the backrest. Turn clockwise to increase lumbar support, counter-clockwise to decrease.

- **4D Armrests:** The armrests offer four-dimensional adjustability:
  - **Height:** Press the button on the side of the armrest and move it up or down.
  - **Depth:** Slide the armrest pad forward or backward.
  - **Angle:** Pivot the armrest pad inward or outward.
  - **Width:** Slide the entire armrest assembly inward or outward.

## 6. Maintenance

Proper care will extend the life and appearance of your noblechairs Hero.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the PU Faux Leather.
- **Regular Inspection:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth movement.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the material to fade or crack.

#### PU FAUX LEATHER

- ✓ Durable
- ✓ Easy to clean
- ✓ Water-resistant

## PREMIUM MATERIALS

## 7. Troubleshooting

---

If you encounter any issues with your chair, refer to the following common solutions:

- **Chair Squeaks:** Check and tighten all assembly screws. Apply a small amount of silicone lubricant to moving metal parts if necessary.
- **Gas Lift Sinking:** Ensure the height adjustment lever is fully engaged. If the gas lift continues to sink, it may need replacement. Contact customer support.
- **Casters Not Rolling Smoothly:** Remove any hair, dust, or debris from the caster wheels. Ensure they are securely inserted into the star base.
- **Armrests Feel Loose:** Check the screws securing the armrests to the seat base and tighten them.
- **Backrest Does Not Recline:** Ensure the recline lever is functioning correctly and not obstructed. Check for any foreign objects preventing movement.
