4. ASSEMBLY INSTRUCTIONS

The Sluban M38-B0665 set allows for the construction of a large main model or six smaller individual models. Follow the included color instruction manual carefully for step-by-step guidance.

4.1 General Assembly Steps:

1. **Unpack Components:** Carefully open the packaging and sort the building pieces. It may be helpful to separate pieces by color or type.
2. **Consult Manual:** Refer to the provided color instruction manual. Each step is illustrated to guide you through the assembly process.
3. **Follow Sequence:** Assemble the model by following the numbered steps in the manual. Ensure pieces are firmly connected.
4. **Verify Connections:** Double-check that all connections are secure to prevent parts from detaching during play.

4.2 Building the 6-in-1 Smaller Models:

The set includes instructions for building six distinct smaller models. These models are typically built using a subset of the total pieces.

5. OPERATING INSTRUCTIONS (PLAYING WITH THE MODELS)

Once assembled, the Sluban M38-B0665 models are ready for imaginative play. Encourage creative scenarios and interaction with the minifigures.

- **Creative Play:** Use the assembled models and minifigures to create various military-themed adventures and stories.
- **Interchangeability:** Sluban blocks are generally compatible with other major building block brands, allowing for expanded creative possibilities.
- **Gentle Handling:** While durable, avoid excessive force or dropping the models to prevent pieces from breaking or detaching.

6. CARE AND STORAGE

Proper care and storage will help maintain the quality and longevity of your Sluban building set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the building blocks and assembled models in a cool, dry place away from direct sunlight and extreme temperatures. Keep them in a container or the original box to prevent loss of pieces.
- **Disassembly:** If disassembling models for storage or to build new ones, do so carefully to avoid stressing or

breaking the plastic connectors.

7. TROUBLESHOOTING

If you encounter any issues with your Sluban M38-B0665 set, refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging materials. If a piece is genuinely missing, please contact Sluban customer support or the retailer for assistance.
- **Difficulty Assembling:** Review the instruction manual steps carefully. Ensure you are using the correct pieces and that they are oriented correctly. Sometimes, a piece may require a firm push to connect properly.
- **Loose Connections:** If parts are not holding together, ensure they are fully pressed into place. Worn or damaged pieces may not connect securely; contact support if you suspect a defective piece.
