Tiny Land Wooden Train Set Instruction Manual

Model: WT0001

Brand: Tiny Land

1. INTRODUCTION

Thank you for choosing the Tiny Land Wooden Train Set. This 39-piece set is designed to provide hours of engaging and creative play for children aged 3 and up. Featuring premium wooden craftsmanship and compatibility with major train brands, this set encourages imaginative storytelling and develops fine motor skills. Please read this manual carefully to ensure proper assembly, safe operation, and optimal enjoyment of your new train set.

2. SAFETY INFORMATION

- **Age Recommendation:** This product is suitable for children aged 36 months to 18 years.
- **Material Safety:** The wooden train tracks and components are made with beech wood, featuring hand-sanded edges for child safety. All materials are BPA, lead, and phthalates-free.
- **Supervision:** Adult supervision is recommended during play, especially for younger children, to ensure safe interaction with all components.
- **Choking Hazard:** This set contains small parts which may pose a choking hazard for children under 3 years of age. Keep away from infants.
- **Inspection:** Regularly inspect all parts for damage or wear. Discontinue use if any part is broken or splintered to prevent injury.

3. WHAT'S IN THE BOX

Your Tiny Land Wooden Train Set includes the following components:

- Various wooden train track pieces (straight, curved, ramps, bridge supports)
- Wooden bridge structure
- Wooden train cars (engine, passenger car, cargo car)
- Wooden accessories (trees, buildings, traffic signs, character figures)

Rich Configurations

Good For Kids To Realize Many Ideas

4. SETUP INSTRUCTIONS

Follow these steps to assemble your Tiny Land Wooden Train Set:

1. **Unpack Components:** Carefully remove all track pieces, train cars, and accessories from the packaging.
2. **Plan Your Layout:** Before connecting, arrange the track pieces on a flat surface to visualize your desired railway design. The set includes various straight, curved, and ramp pieces for diverse configurations.
3. **Connect Tracks:** Join the track pieces by aligning the interlocking grooves and gently pushing them together. Ensure a snug fit for a smooth railway.
4. **Assemble Bridge:** If using the bridge, connect the ramp pieces to the bridge supports and integrate them into your track layout.
5. **Add Accessories:** Place the wooden trees, buildings, traffic signs, and character figures around the track to create a vibrant play environment.
6. **Position Trains:** Place the wooden train cars onto the tracks. The magnetic connectors allow you to link the engine and passenger/cargo cars together.

6. MAINTENANCE

To ensure the longevity and cleanliness of your Tiny Land Wooden Train Set, follow these maintenance guidelines:

- **Cleaning:** Wipe all wooden components with a clean, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish.
- **Drying:** After cleaning, ensure all parts are thoroughly dry before storing to prevent warping or mold growth.
- **Storage:** Store the train set in a dry place away from direct sunlight and extreme temperatures. Keeping the pieces in their original packaging or a designated storage container will help prevent loss and damage.
- **Inspection:** Periodically check track connections and train components for any signs of wear, splintering, or damage. Replace or repair as necessary.

7. TROUBLESHOOTING

Here are some common issues and their solutions:

Problem	Solution
Tracks do not connect smoothly.	Ensure the interlocking grooves are perfectly aligned. Apply gentle, even pressure. Check for any debris in the grooves.

Problem	Solution
Train cars derail frequently.	Verify that all track pieces are securely connected and lying flat on the surface. Ensure the train wheels are properly seated on the tracks.
Magnetic connectors are weak.	Check if any foreign objects are obstructing the magnets. Ensure the train cars are facing the correct direction for magnetic attraction.
Wooden pieces appear rough or splintered.	Discontinue use of the affected piece to prevent injury. Contact customer support for possible replacement.
