Goliath 914532.006

Goliath The Floor is Lava! Game Instruction Manual

Model: 914532.006 | Brand: Goliath

INTRODUCTION

The Floor is Lava! is an interactive family board game designed to promote physical activity, imaginative play, and engaging excitement for players of all ages. This manual provides comprehensive instructions for setting up, playing, and maintaining your game.

About the Game

- **Active Fun:** Transforms any floor into an exciting 'lava jumping' adventure, encouraging movement and engagement.
- **Broad Appeal:** Suitable for 2 or more players aged 5 to 105, making it ideal for family game nights, parties, or playdates.
- **Versatile Play:** Can be enjoyed both indoors and outdoors, providing flexible entertainment options.

PACKAGE CONTENTS

Before you begin, please ensure all components listed below are present in your game box:

- 25 Colored Foam "Safety Stones"
- 27 Challenge Cards
- 1 Game Spinner
- 1 Instruction Manual

Image: All game components, including foam stones, challenge cards, and the spinner.

SETUP

1. **Assemble the Spinner:** Carefully pull apart the spinner's arrow. Insert the spinner base through the hole in the spinner board and snap the arrow on top.
2. **Prepare the Stones:** The game includes 25 colored foam "safety stones." These are cushioned, durable, and slip-resistant. Some stones may have a '?' mark for extra challenges, and orange stones feature a danger symbol.
3. **Choose a Game:** Select which game variation you wish to play from the instruction manual.
4. **Place the Stones:** Based on the chosen game, spread the stones on the floor in the specified pattern. For older kids, spread stones 1 to 2 feet apart to increase the challenge.
5. **Prepare Challenge Cards:** If the game requires challenge cards, shuffle them and place them near the playing area.
6. **Assign a Referee:** If the game requires a referee, choose one player to oversee the spinner, read challenge cards, and collect stones as needed.
