ProCase A1670 /A1671 /A1821/ A1584 /A1652

ProCase Keyboard Case for iPad Pro 12.9 (2017/2015) User Manual

Model Numbers: A1584, A1652, A1670, A1671, A1821

PRODUCT OVERVIEW

This manual provides instructions for the ProCase Keyboard Case designed for the iPad Pro 12.9 inch (1st Gen 2015) and iPad Pro 12.9 inch (2nd Gen 2017). It covers installation, operation, features, and important safety information to ensure proper use and longevity of your device.

PACKAGE CONTENTS

The package includes the following items:

- Keyboard Case
- Micro-USB charging cable
- Users' Guide

Video: Unboxing the ProCase Keyboard Case. This video demonstrates the items included in the package, such as the keyboard case, charging cable, and user guide.

COMPATIBILITY

This keyboard case is specifically designed for the following iPad models:

- iPad Pro 12.9 inch (1st Gen 2015) - Models: A1584, A1652
- iPad Pro 12.9 inch (2nd Gen 2017) - Models: A1670, A1671, A1821

Note: This case is not compatible with any other iPad models. Please verify your iPad's model number before installation.

INSTALLATION

Follow these steps to properly install your iPad into the ProCase Keyboard Case:

1. Align your iPad with the case, ensuring the camera and ports match the cutouts.
2. Gently press the iPad into the case, starting from one corner and working your way around until it is securely seated.
3. Ensure all edges of the iPad are protected by the flexible TPE edge of the case.

PRECISE **CUTOUTS**

full access to all features without removing case

Image: Precise Cutouts. This image illustrates how the case provides full access to all iPad features, including cameras, speakers, ports, and buttons, without needing to remove the case.

KEYBOARD OPERATION

Charging the Keyboard

To charge your keyboard, use the provided Micro-USB cable:

1. Plug the Micro-USB cable into the Micro-USB port on the keyboard.
2. Connect the other end of the cable to a USB power adapter or a computer's USB port.
3. The red Charge indicator light will illuminate during charging and turn off when the keyboard is fully charged.

Video: Charging the Keyboard. This video demonstrates how to connect the Micro-USB cable to the keyboard for charging and identifies the charge indicator light.

Pairing the Keyboard with your iPad

To connect the keyboard to your iPad via Bluetooth:

1. Slide the power button on the keyboard to the 'ON' position. The power indicator will be on for 4 seconds, then turn off.
2. Press the 'Connect' button on the keyboard. The 'BK' indicator light will start blinking, indicating it's in pairing mode.
3. On your iPad, go to **Settings** > **General** > **Bluetooth** and turn on the Bluetooth function.
4. Your iPad will search for available devices. Select "ProCase Keyboard" from the list.
5. If prompted, type the pairing code displayed on your iPad screen using the ProCase Keyboard, then press 'Enter'.
6. Once successfully connected, the 'BK' Bluetooth indicator light on the keyboard will turn off.

Video: Pairing the Keyboard. This video guides you through the Bluetooth pairing process between the ProCase Keyboard and your iPad, including entering the pairing code.

Switching Language Settings

To switch the input language on your iPad using the keyboard:

- **For iOS:** Press the **Control** and **Space** keys simultaneously to switch between configured languages.

The keyboard supports various language layouts. Refer to the on-screen prompts for specific character inputs for different languages.

Video: Switching Language Settings. This video demonstrates how to switch keyboard language settings on your iPad and shows examples of German, English (UK), Spanish, and French character inputs.

KEY FEATURES

- **All-in-One Design:** Combines a wireless keyboard, stand, and carrying case for convenience. Includes a built-in Apple Pencil holder for easy access.
- **Wireless Connectivity:** The keyboard pairs easily with your iPad via Bluetooth, offering up to 100 hours of working time or 100 days of standby time on a single charge.
- **Adjustable Viewing Angles:** Two stand slots and a built-in magnet securely hold your iPad in landscape mode for comfortable typing and viewing.
- **Typing Experience:** Features well-spaced Chiclet keys for a fast and smooth typing experience.
- **Comprehensive Protection:** Constructed with a premium composition leather exterior and soft interior lining, providing full protection against daily wear. The flexible TPE edge absorbs accidental shocks.
- **Smart Functions:** Supports auto Sleep/Wake feature, extending battery life. Magnets secure the case closure for easy snap on and off.

MAINTENANCE

To maintain the performance and appearance of your ProCase Keyboard Case:

- Clean the exterior with a soft, damp cloth. Avoid harsh chemicals.
- Keep the keyboard free from dust and debris. Use a soft brush or compressed air for cleaning between keys.
- Ensure the charging port is clean and free of obstructions before charging.

TROUBLESHOOTING

If you encounter issues with your ProCase Keyboard Case, try the following solutions:

Problem	Solution
Keyboard not connecting via Bluetooth	- Ensure the keyboard is charged and powered on. - Make sure Bluetooth is enabled on your iPad. - Forget the device in your iPad's Bluetooth settings and attempt to re-pair. - Restart both your iPad and the keyboard.
Keys are unresponsive or typing incorrectly	- Check the keyboard's battery level and charge if necessary. - Ensure the keyboard is properly paired. - Verify the language settings on your iPad match your keyboard layout. - Clean any debris from under the keys.
Auto Sleep/Wake feature not working	- Ensure your iPad is correctly seated in the case. - Check your iPad's settings for 'Lock/Unlock' or 'Cover Lock' features and ensure they are enabled.

SAFETY INFORMATION

Please observe the following safety precautions:

1. Keep the keyboard and case away from sharp objects to prevent damage.
2. Do not place any heavy objects on the keyboard or the case.
3. Keep the keyboard and case away from microwave items.
4. Do not force or distort the keyboard or the case.
5. Keep the keyboard and case away from water, oil, chemical, or other organic liquids.
6. In case a key falls off, it can be reassembled. You should hear a click when it is assembled in place.
