HONEYSEW Ruler Darning Patchwork Presser Foot 1/4 Inch for Bernina Old Style Machines Instruction Manual

Model: HONEYSEWDEN-01+0019477000

1. INTRODUCTION

This manual provides instructions for the HONEYSEW Ruler Darning Patchwork Presser Foot. This accessory is designed to assist with free motion quilting, ruler darning, and embroidery tasks, providing a 1/4 inch guide for precision. It is specifically manufactured from durable plastic for use with various Bernina old style sewing machines.

Please read these instructions carefully before installation and use to ensure proper function and compatibility with your sewing machine.

2. COMPATIBILITY AND SETUP

2.1 Compatible Bernina Models

This presser foot is compatible with the following Bernina old style sewing machine models:

- 830 Record, 831, 832, 840, 841, 842, 850
- 900, 910, 930, 931, 932, 940, 950
- 1000, 1001, 1004, 1005, 1006, 1008, 1010, 1011, 1015, 1020, 1030, 1031
- 1080, 1090, 1120, 1130, 1230, 1260, 1530, 1630

Note: Always verify your machine's model number against this list to ensure proper fit and function. Incompatible use may lead to poor performance or damage.

2.2 Installation Instructions

1. **Power Off:** Ensure your sewing machine is turned off and unplugged from the power source for safety.
2. **Remove Existing Foot:** Loosen the screw that holds the current presser foot in place and carefully remove it.
3. **Attach Ruler Darning Foot:** Position the HONEYSEW Ruler Darning Patchwork Presser Foot onto the presser foot bar. Align the foot so that the screw hole on the foot matches the screw hole on the presser foot bar.
4. **Secure Foot:** Insert the screw and tighten it firmly to secure the foot in place. Ensure the foot is stable and does not wobble.
5. **Verify Clearance:** Manually lower and raise the presser foot bar to ensure the foot moves freely and has adequate clearance above the needle plate.

Figure 2: Close-up view of the presser foot, showing the attachment mechanism.

3. OPERATING INSTRUCTIONS

The HONEYSEW Ruler Darning Patchwork Presser Foot is designed for specialized sewing techniques. Follow these guidelines for optimal performance:

3.1 Free Motion Quilting and Darning

- **Lower Feed Dogs:** For free motion quilting and darning, it is essential to lower your machine's feed dogs. Refer to your sewing machine's manual for instructions on how to do this.
- **Fabric Movement:** With the feed dogs lowered, you will manually move the fabric under the needle. The open design of this foot allows for clear visibility and unrestricted movement of your fabric.
- **Stitch Length:** Your stitch length will be determined by how quickly you move the fabric and the speed of your machine. Practice on scrap fabric to achieve consistent stitches.

3.2 Patchwork and Ruler Work

- **1/4 Inch Guide:** The foot features a 1/4 inch guide, which is ideal for precise patchwork and ruler-guided quilting. Align your fabric edge or quilting ruler against this guide for accurate seam allowances and stitching lines.
- **Ruler Use:** When using quilting rulers, ensure they are specifically designed for use with a ruler foot and have sufficient thickness to prevent the needle from hitting the ruler.
- **Needle Position:** Ensure your needle is in the center position for most ruler work applications.

Figure 3: The presser foot showing its open design for visibility during free motion work.

4. MAINTENANCE

Proper maintenance will extend the life of your presser foot and ensure consistent performance.

- **Cleaning:** After each use, gently wipe the presser foot with a soft, dry cloth to remove any lint or dust accumulation. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the presser foot in a clean, dry place, preferably in a dedicated sewing accessory box, to protect it from dust and potential damage.
- **Inspection:** Periodically inspect the foot for any signs of wear or damage. If the plastic guide becomes scratched or uneven, it may affect stitching accuracy.

5. TROUBLESHOOTING

If you encounter issues while using the HONEYSEW Ruler Darning Patchwork Presser Foot, consider the following:

- **Foot Does Not Fit / Fabric Does Not Move:**
 - **Check Compatibility:** Double-check that your Bernina sewing machine model is listed in the "Compatible Bernina Models" section (Section 2.1). This foot is designed for specific old style Bernina machines.
 - **Proper Installation:** Ensure the foot is correctly attached and the screw is tightened. Verify that the foot can move up and down freely with the presser foot lifter.
 - **Feed Dogs:** For free motion work, ensure your machine's feed dogs are lowered. If they are not, they will impede fabric movement.
- **Inaccurate 1/4 Inch Seam:**
 - **Ruler Alignment:** Ensure your fabric edge or quilting ruler is consistently aligned against the 1/4 inch guide on the foot.
 - **Needle Position:** Confirm your needle is in the center position.
 - **Ruler Thickness:** If using a ruler, ensure it is appropriate for ruler work and provides a stable guide against the foot.

If problems persist, consult your sewing machine's manual or contact HONEYSEW customer support.

6. SPECIFICATIONS

Feature	Detail
Brand	HONEYSEW
Model Number	HONEYSEWDEN-01+0019477000
Material Type	Plastic
Function	Ruler Darning, Patchwork, Free Motion Quilting, Embroidery
