CARE AND MAINTENANCE

To ensure the longevity and appearance of your Flamaker patio set, follow these care instructions:

- **Cleaning:** Wipe the furniture with a dry cloth to remove dust and debris. For deeper cleaning, use a mild soap solution and a soft cloth, then rinse thoroughly and dry completely.
- **Cushions:** The black polyester cushion covers are removable for easy cleaning. Simply unzip and wash as needed. Allow them to air dry completely before reattaching.
- **Tempered Glass Tabletop:** The glass surface can be easily cleaned with a glass cleaner or a damp cloth.
- **Weather Protection:** While the PE wicker is weather-resistant and the steel frame is rust-proof, storing the set indoors or covering it during extreme weather conditions (heavy rain, snow, strong winds) will further extend its lifespan.

TROUBLESHOOTING

If you encounter any issues with your Flamaker 3-Piece Patio Set, please consider the following common solutions:

- **Wobbling Chairs/Table:** Check all screws and bolts to ensure they are tightened securely. The table and chairs may also have adjustable feet to compensate for uneven surfaces.
- **Cushion Discoloration/Fading:** While the wicker is fade-resistant, prolonged exposure to direct sunlight can affect fabric cushions. Consider using covers when not in use or storing cushions indoors.
- **Rattling Glass Top:** Ensure the suction cups (if applicable) holding the tempered glass are properly seated and clean.
