- **Partner Party:** A strategic 2 vs 2 mode where players team up on a grid-based board.

- **Minigame Modes:** Engage in various minigame challenges, including free-for-alls, 2 vs 2, and 1 vs 3 formats. Over 80 unique minigames are available.

- **Challenge Road:** A single-player mode featuring a path of 80 minigame challenges.

Character-specific Dice Blocks offer unique numberings, adding a strategic layer to movement.

Online play is available for several modes, including the Mario Party board game mode and various minigames. A Nintendo Switch Online membership (sold separately) and a Nintendo Account are required for online features. Internet access is necessary. Some minigames and modes (e.g., Sound Stage, Toad's Rec Room, Challenge Road, River Survival) do not support online play.
