

COMLIFE F006

COMLIFE Portable Handheld Misting Fan User Manual

MODEL: F006

Brand: COMLIFE

Introduction

This manual provides detailed instructions for the COMLIFE Portable Handheld Misting Fan (Model F006). Please read this manual thoroughly before use to ensure proper operation and maintenance. This fan is designed to provide personal cooling with an optional misting function, suitable for various indoor and outdoor activities.

Package Contents

Verify that all items are present in the package:

- Handheld Misting Fan
- 60ML Water Bottle (for refilling)
- Type-C Charging Cable
- User Manual

Product Features

- **Upgraded Version:** Equipped with a 3000mAh battery and 25ml water tank, offering up to 13 hours of cooling and 30 minutes of continuous misting. Lightweight at only 0.5lb.
- **Two Buttons Operation:** Separate buttons for fan control (left) and misting on/off (right) for ease of use. Includes a power indicator.
- **Powerful & 3 Speeds:** Features an upgraded brushless motor and 3 aerodynamic blades, generating up to 11.5 ft./s cool wind. Three adjustable fan speeds.
- **Foldable Design:** The fan can fold within 180°, allowing use as a handheld fan or a desktop fan.
- **Portable & Versatile:** Compact and pocket-sized, ideal for travel, work, study, shopping, camping, hiking, and outdoor activities.

Setup

1. Charging the Fan

Before first use, fully charge the fan. Connect the provided Type-C charging cable to the fan's charging port and a compatible USB power source. The power indicator light will show charging status.

2. Filling the Water Tank

The fan features a 25ml water tank for the misting function. Use the included 60ml water bottle to easily fill the tank.

1. Locate the water tank cap on the top of the fan.
2. Gently open the cap.
3. Fill the provided 60ml water bottle with clean water.
4. Carefully pour water from the bottle into the fan's water tank until full.
5. Close the water tank cap securely to prevent leaks.

Operating Instructions

1. Fan Control

The fan has three adjustable speeds. Use the left button (labeled "FAN") to cycle through the speeds.

- Press once for Speed 1 (Low).
- Press twice for Speed 2 (Medium).
- Press three times for Speed 3 (High).
- Press a fourth time to turn the fan off.

2. Misting Control

The misting function operates independently. Use the right button (labeled "MIST") to activate or deactivate the mist.

- Press and hold the MIST button to turn the misting function on.
- Press and hold the MIST button again to turn the misting function off.
- The misting function has an automatic shut-off after approximately 30 minutes to conserve water.

3000mAh Rechargeable Battery & 3 Adjustable Speed

 Low	1.9-2m/s	13H
 Medium	2.7-2.8m/s	6H
 High	3.4-3.5m/s	3H

4 Hours

Brushless Motor Drive, Strong Airflow

Charging

The fan is equipped with a 3000mAh rechargeable battery. A full charge takes approximately 4 hours and provides 3 to 13 hours of operation, depending on the fan speed and misting usage.

- Connect the Type-C charging cable to the charging port located on the side of the fan handle.
- Plug the other end of the cable into a standard USB power adapter (not included) or a computer USB port.
- The power indicator light will illuminate during charging and change color or turn off when fully charged.

Figure 5: Connecting the Type-C charging cable to the fan.

Maintenance

- **Cleaning:** Wipe the fan's exterior with a soft, damp cloth. Do not immerse the fan in water.
- **Water Tank:** Regularly empty and clean the water tank to prevent mineral buildup or mold. Use clean water for misting.
- **Storage:** When not in use for extended periods, ensure the fan is fully charged and the water tank is empty and dry. Store in a cool, dry place.

Troubleshooting

Problem	Possible Cause	Solution
Fan not turning on	Low battery	Charge the fan fully.
Misting not working	Water tank empty or clogged nozzle	Refill water tank. Gently clean the misting nozzle with a cotton swab.
Weak airflow	Low battery or fan blades obstructed	Charge the fan. Ensure fan blades are clear of obstructions.

Specifications

- **Brand:** COMLIFE
- **Model Name:** F006
- **Power Source:** Battery Powered (3000mAh Lithium Polymer)
- **Electric Fan Design:** Table Fan / Handheld Fan
- **Special Feature:** Portable, Foldable, Lightweight, Misting Function
- **Product Dimensions:** 1.46"D x 4.13"W x 8.86"H
- **Item Weight:** 0.63 Pounds (approx. 10.1 ounces)
- **Noise Level:** 25 Decibels
- **Wattage:** 3 watts
- **Voltage:** 5 Volts
- **Number of Blades:** 3
- **Speed:** Up to 11.5 Feet Per Second
- **Water Tank Capacity:** 25ml
- **Charging Connector:** USB Type-C
