## 3. OPERATION AND USAGE

The organizer hutch provides convenient storage solutions for various craft supplies, office items, or other small accessories. Its design allows for both concealed and open storage.

### Drawer Usage:

The two drawers operate on full extension slides, allowing them to open completely for easy access to contents. These are ideal for storing items you wish to keep out of sight, such as small tools, paper, or fabric scraps.

## 4. CARE AND MAINTENANCE

To maintain the appearance and longevity of your Sauder Craft Pro Series Organizer Hutch, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
  - **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood finish.
  - **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
  - **Heat and Moisture:** Keep the hutch away from direct heat sources and areas of high humidity to prevent warping or damage.
-

## 5. TROUBLESHOOTING

This section addresses common issues you might encounter with your organizer hutch. For more complex problems, please refer to the support section.

### Drawers Not Sliding Smoothly:

- **Check Alignment:** Ensure the drawer slides are properly aligned and securely fastened to both the drawer and the hutch frame.
- **Obstructions:** Look for any objects or debris that might be obstructing the slides.
- **Lubrication:** A small amount of silicone spray or wax can be applied to the slides if they feel stiff.

### Loose Hardware:

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary, but do not overtighten.

### Stability Issues:

- Ensure the hutch is placed on a level surface.
- Verify that all assembly steps were completed correctly and all connections are secure.
- Remember this hutch is designed to attach to a base unit (Storage Cabinet 421405, 421407, or Craft Table 421417) for full stability.

## 7. IMPORTANT SAFETY INFORMATION

- Ensure proper installation and secure attachment to the compatible base unit (Storage Cabinet 421405, Storage Cabinet 421407, or Craft Table 421417) to prevent tipping.
- Do not exceed the recommended weight limit for the hutch or its individual compartments. While a specific weight limit for the hutch itself isn't provided, the general safety information states "do not exceed the weight limit of 40 pounds" which likely refers to the product's own weight or a general handling limit. For internal storage, distribute weight evenly.
- Keep small parts and hardware away from children during assembly to prevent choking hazards.
- Always follow the assembly instructions carefully to ensure the product is stable and safe for use.
